Table Manners.

Sit up straight in your chair
Put your feet on the floor in front of you, - not on the rounds of the legs of the chair.
Never tip back in your chair
When about to sit down or get up, do not pull your chair on the floor, but lift it.
Never put your elbow on the table.
Do not lean on the table with arms.
When one hand is not in use, put it on your lap.
Put your napkin on your lap.
Never put your knife in your mouth.
Never help yourself with your own knife, fork or spoon or except when getting bread with your own hand.
Never reach in front of another person, but ask him to pass anything you may wish, - always saying "Please."
Do not pound on the table.
Never pour tea or coffee into the saucer.
Do not keep your teaspoon in your cup. When it is not in use put it into your saucer.
Never put your knife and fork on the table.

Do you like to read a good Newspaper?

Then why not, for a change, try the

NATIONAL EXPONENT?

All things considered, it is probably the best paper published for the deaf, except of course, your home school paper.
The EXPONENT is published every week in the year for the small sum of

ONE DOLLAR!

Send in and try it a while, and you will never regret the outlay. It has news from all sources of interest to the deaf and should be read by every mute. Address

"NATIONAL EXPONENT,"
141 East Randolph St. Chicago

PUPILS' LOCALS.

From the Boys' Side of the Institution.

BY DAVID LUDY:
News is scarce now
Ten more days till Christmas
The ice on the bay is now about 2 inches thick.
-There will be no ice boats on the bay at our wharf this winter
-Alex. Swanson had his boat brought to the bay on the 1st inst.
-The Bursar's son, Jay Mathison, has a dandy ice-boat at his bay. He calls it "Eclipse."
-Two of the boys got photos from Culver Bowlby, of Simcoe. They are nice ones. He is changed a little.
-Mr. Douglas had the Institution's boat brought to the carpenter shop on the 6th inst. to have it repaired.
-One of the boys got a letter from Richard O'Brien, saying he was well and would perhaps come to see us on a future mas.
-Mr. Mathison gave us a half holiday on the 6th inst. The boys, as usual, played foot-ball and the girls went to town shopping.
-C. Gillam is Captain of our Senior Hockey Club this winter. He was elected by 6 votes to 5 for Labelle at the meeting of our athletic association held two weeks ago.
-We have been assembling in the chapel nearly every Saturday evening since September. Stories, debates and pantomimes are indulged in, and we enjoy them.
We have not had very much snow for a long time as the weather has been very changeable; we had a fall on the morning of the 11th inst., but it soon went away again.
-Our foot-ball campaign this fall has been brought to a close. Our boys have won 5 games and lost 2. They have scored 21 goals and lost 5. The first eleven scored 7 goals and lost 2, the second eleven scored 5 and lost none, the third eleven scored 1 and lost 2, and the fourth eleven scored 8 and lost 1.
-John Smalldon returned to school on the 3rd inst. As he came too late to be promoted to a higher class, he is now working all day in the shoe shop. He is the tallest boy here. As he played foot-ball and belonged to a club while at home we trust he will play well next spring when our Senior Eleven has to play for the silver cup again.

PUPILS' LOCALS.

From the Girls' Side of the Institution

BY JESSIE MUNRO:
-We all are looking forward with a great deal of pleasure for Christmas to come. Hurrah! Hurrah! Hurrah! for Christmas.
-On Dec. 3rd, to our surprise Dr. Cabl well, our dentist, came here in the afternoon to pull out the girls' decayed teeth, and he took 99 away with him.
-Two weeks ago on Thursday afternoon permission was given to us girls to go to the city to do some shopping, and we had a good time visiting the stores.
-Miss Maggie Hutchinson is eagerly looking forward to see her aunt Miss Minnie Henderson, as she said in her letter that she would likely come here and see her on Christmas.
-On the 8th inst., in the evening we had a pantomime in the chapel, and we enjoyed it ever so much. We will soon have another one, which will be gotten up by some of the girls and boys.
-Last Monday afternoon Miss Annie Butler came here again with her cousin Mr. Gilbert Choat, after an absence of a couple of weeks to attend her sister Mancho's wedding. Mancho was married to Mr. Bert Sills on the 25th ult. Annie said she had a very pleasant time while she was at home. Her mother went to London on Dec. 7th to see two of her step sons, and will remain with them for a month.
-On the evening of the 1st inst. we had another magic lantern exhibition in the chapel, and we all enjoyed the views very much. We have had three different magic lantern exhibitions since we left home, and the last one was much better than the
