CATARRH:

A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissues, Mr. Dixon at once adapted his cure to their extermination; this accomplished, the Catarrh is practically cured, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with MESSRS. A. H. DIXON & SON, 305 King Street, west, Toronto, Canada and enclose stamp for their treatise on Catarrh.—Montreal Star

Scientific and Useful.

COTTAGE PUDDING.—One cup sugar, one cup sour milk, two tablespoonfuls butter, one egg, two cups flour, one half teaspoon soda. Flavour. Mix quickly and bake half an hour.

OUR town druggist says that Perry Davis' Pain-Killer sells the best of any medicine they keep. During the hard times of the past few years, there were none too poor to pay their "quarter" for a bottle of this indispensable family medicine.

CHERRY PUDDING.—One teacup of sour cream, one of sweet milk, one egg, one teaspoon soda, two cups cherries, which may be either fresh or stewed—free from juice. Any other small fruit may be used instead of cherries if desired. Bake.

FRUIT JUMBLES.—Take one pound of sugar, one pound of butter, one pound and a quarter of flour, six eggs, half a pound of currants, a little soda and nutmeg. Mix the butter, sugar, spice and eggs, then the currants, next the soda, and lastly the flour.

A FRIEND IN NEED.—Dr. Wistar's Balsam of Wild Cherry is a friend in need. Who has not found it such in curing all diseases of the lungs and throat, coughs, colds, and pulmonary affections, and, "last, not least," Consumption? The sick are assured that the high standard of excellence on which the popularity of this preparation is based, will always be maintained by the proprietors.

BUNS.—Break one egg into a teacup and fill up with sweet milk; mix with it one half cup of yeast, one half cup of butter, one cup of sugar, enough flour to make soft dough. Let rise until light, then mould in biscuit with a few currants. Let it rise a second time in pan; bake, and when nearly done, glaze with a little molasses and milk.

DELICATE PUDDING.—One pint of flour, one egg, four tablespoonfuls of melted butter, one coffee-cup of sugar, one coffee-cup of sweet milk, and four teaspoonfuls of baking powder. First beat the egg, sugar and butter to a cream, then add the milk; sift the flour and baking powder together, before stirring them in with the other ingredients; flavour with lemon. Sauce to your fancy. Bake in shallow pans.

NEAR STARVATION'S DOOR.—Mrs. Nelson W. Whitehead, of Nixon, was a chronic sufferer from dyspepsia and liver complaint, and was scarcely able to take the most simple nourishment. Even a swallow of water caused great distress. Two bottles of Burdock Blood Bitters cured her, when all else failed. She heartily recommends this remedy to all sufferers.

CREAMED ONIONS.—Boil the onions in two waters—hot—putting a little salt in the second. If they are full grown they will require at least an hour and a half to cook them tender. Drain them and pack in a bake dish; pour a cupful of drawn butter, in which milk is used instead of water, over them, sprinkle with fine crumbs, pepper and salt lightly, and bake covered fifteen minutes, then brown. There is no nicer way of cooking ripe onions than this.

BUTTER TEST.—Take a slender glass tube or vial. Fill it with the butter you wish to test. Then suspend the vial in hot water until the butter melts. If pure the cheesy part will slowly settle to the bottom, while the oil will float upon the top, assuming a bright golden colour. If it be bogus it will assume a cloudy or opaque colour, and remain so, while the alkalies used in its manufacture will settle, forming a white sediment at the bottom, which is said to be deadly poison.

THE most successful Hair Preparation in the market. If you are bald, if you have thin or gray hair, if you are troubled with falling out of the hair, or dandruff, don't fail to try a bottle of Dr. Dorenwend's Great German Hair Magic, the greatest discovery of the age. Sent to any address on receipt of price, \$1 per bottle, or six for \$5. Direct all communications to A. Dorenwend, sole manufacturers, 105 Yonge Street, Toronto, Canada.

TEA TO PERFECTION.—To make tea to perfection, boiling water must be poured on the leaves directly it boils. Water which has been boiling more than five minutes, or which has previously boiled, should on no account be used. If the water does not boil, or if it be allowed to overboil, the leaves of the tea will be only half opened and the tea itself will be quite spoiled. The water should be allowed to remain on the leaves from ten to fifteen minutes.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES. Especially Desirable for Children.

A LADY physician at the Child's Hospital, at Albany, N. Y., says: "We have been using Scott's Emulsion with great success, nearly all of our patients are suffering from bone diseases and our physicians find it very beneficial."

KENT BROS.,

WHOLESALE & RETAIL JEWELLERS, 168 YONGE ST., TORONTO.

What is Dyspepsia?

Among the many symptoms of Dyspepsia or indigestion the most prominent are: Variable appetite; faint, gnawing feeling at the pit of the stomach, with unsatisfied craving for food; heartburn, feeling of weight and wind in the stomach, bad breath, bad taste in the mouth, low spirits, general prostration, headache and constipation. There is no form of disease more prevalent than Dyspepsia, and none so peculiar to the high-living and rapid-eating American people. Alcohol and tobacco produces Dyspepsia; also bad air, rapid eating, etc. Burdock Blood Bitters will cure the worst case, by regulating the bowels and toning up the digestive organs. Sold everywhere.

Highly Commended at the Toronto Exhibition, 1885.

The "Stunner." Humanitarians should use and advocate the use of the "Stunner."

A sample sent, Carriage paid, for 75 cents By J. B. STRINGER, Doncaster, Ont.—Patented in U. S. A. and Canada. Agents wanted in every district.
