The GODERICH ORGAN CO., Goderich, write:—

"We have tried the CARVING MACHINE bought from you, on the trusser of our Piano Case Organ,  
and find it works very satisfactory. We are enabled to do more elaborate carving at half the cost of former work,  
and we will save the cost of the machine in one year. We are well pleased with the solid and neat manner in which  
the machine is constructed, and think it should fill a long-felt want among furniture and kindred manufacturers, who  
could not afford to buy the higher priced machines, there being no limit to the scope of your machine."

Exhaust Fans, Single and Double.
