## A WORD TO OUR READERS!

The line at the bottom of our advertising pages requests you when writing to Advertisers, to mention THE CANADIAN MANUFACTURER. Compliance with the request costs nothing, but would mean a great deal to us. As the manufacturer usually grades the salary of his salesman according to the value of the orders he turns in, so the advertiser values space according to inquiries received. The only way for this journal to receive full credit for sales influenced is for our readers, when writing to advertisers, to kindly mention THE CANADIAN MANUFACTURER.

## GREASE LUBRICATION

has many advantages and it is growing more popular every day. The advantages of grease lubrication are multiplied if Dixon's Ticonderoga Flake Graphite be an ingredient of greases. Our booklet, OIL vs. GREASE, is a valuable treatise on the subject. Copies are free to all.
