STEARNS'

CASCARA AROMATIC

Is a fluid extract (not a cordial syrup or other dilute preparation) of prime and selected two year old bark (Fresh bark contains a ferment which produces griping).

Cascara Aromatic is sweet in taste (which children and women especially appreciate) instead of being bitter, as is the ordinary fluid extract, powerful (Its dose is only $\frac{1}{2}$ to 1 fluidrachm.) yet gentle in effect, and in addition, does not gripe (This, next to its taste, is its most valuable property, as ordinary bitter fluid extracts do).

Surely an Ideal Laxative.

Samples and Literature Free.
