

THE
: Barber & Ellis
COMPANY,

Nos. 43, 45, 47 and 49 Bay St., Toronto.

AND

823 Craig St., Montreal.

Our preparations for the Fall Trade are on a more

Extended Scale than any previous Season.

We have learned that another maker has placed on the market an inferior envelope labelled with the same number that we have been using for the past ten years, namely, (**155**) and while we have put a stop to this kind of competition, we would advise buyers of envelopes examine for a short time the quality of this line before buying, thus satisfying themselves that they are receiving the genuine article. We are the originators of this label (**155**) and any other maker using it is liable for damages.

In our envelope factory we are making a finer line than ever and in spite of the unfair and unprincipled tactics of a would be competitor we never have been so busy.

Reliable goods well made we feel sure will command the Trade.

N. B.--On account of unusual activity in our bindery this summer, we have decided not to make an exhibit at this years Industrial. Will be glad to show buyers our lines at warehouse.

Correspondence is solicited.

Letter Orders will receive special attention.
