THE SHANNON PRESCRIPTION FILE

FOR
FILING
PHYSICIANS'
PRESCRIPTIONS.

IS THE ONLY
PRACTICAL
PRESCRIPTION
FILE.

It is the world renowned SHANNON FILE, with high arch made of a size suited to the filing of PRESCRIPTIONS, which can be perforated and filed at the top or end, as preferred.

The File will hold about 750 Prescriptions. Each File is provided with an Index of eight blank sheets which can be numbered with pen and ink to correspond with numbers of prescriptions. It is best to separate the prescriptions by hundreds and number Index sheets in same manner; for instance, 700-800-900-1,000, etc.

There is no class of papers which it is more desirable to have arranged in a systematic and convenient manner, and yet, it is safe to say, there are no papers that as a rule, are harder to get at.

When filed on the SHANNON PRESCRIPTION FILE, prescriptions can be examined without removal, or removed and replaced with the greatest ease and rapidity, and without any chance of accidental loss or disarrangement.

Price of File, with One Binding Case, \$2.00

Price of Binding Cases, with Indexes, \$4.00 per dozen.
