

PARAGRAPHIC.

NERVILINE WHAT IS IT?

Nerviline is a combination of the most powerful pain relieving substance known. Nerviline is not a nostrum, but a preparation which has received from members of the medical profession, clergymen the press and others most enthusiastic endorsement. If suffering from pain of any kind, external or local, give Nerviline a trial. Nerviline cures toothache, cramps, neuralgia, and almost instantly. Trial bottles 10 cents, large bottles 25 cents, at all druggists and dealers everywhere.

It is easy to say "know thyself:" but who is to introduce you? Most people go through life without making the advantageous acquaintance in question! and if a friend should take the liberty of introducing you to yourself, you hate him forever.

A gentleman in a neighbouring town who had suffered two years with chronic diarrhoea and was so reduced that he could not walk, was cured and restored to sound health by *Johnson's Anodyne Liniment*. This Liniment is worth its weight in gold.

It is he who possesses the strongest and best equipped mind, the truest and firmest principles, the deepest and fullest nature, that most thoroughly and successfully performs the small duties of life.

SCOTT'S EMULSION OF COD LIVER OIL AND HYPOPHOSPHITES.

is very palatable and much better than the plain oil. Dr. W. H. Cameron, of Halifax, N.S., says: "I have prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites for the past two years and found it more agreeable to the stomach, and have better results from its use than any other preparation of the kind I have ever tried." Put up in 50c and \$1 size.

Occupation of some kind is necessary, if we would be either happy or healthy. Never be idle because you think there is nothing to do. As if there ever could be a want of occupation in this world!

The blighting effects of impure blood are sad to behold in those we meet day by day. This ought not and need not be so. *Parson's Purgative Pills* make new rich blood taken one a night for twelve weeks will change the blood in the entire system.

Little infirmities of temper should be borne with, especially in the home circle: but people, guilty of such infirmity, ought not to presume on this. To "bear and forbear" is the wisest of mottoes for the domestic hearth.

SCEPTICS SILENCED.

We say to those who are sceptical as to the hair-producing qualities of Minard's Liniment that in

every case where the hair has fallen by disease, and by using six bottles of Minard's Liniment on the head will not produce a good growth of hair, or where one bottle will not remove dandruff and stop the hair from falling out, we will furnish the Liniment free.
