### Electricity as Applied by The Owen Electric Belt and Appliances

Is now recognized as the greatest boon offered to suffering humanity. It has, does and will cure in seemingly hopeless cases where every other known means has failed. Rheumatism cannot exist where properly applied. By its steady, soothing current, that is easily felt it will cure.

### RHEUMATISM

It is not pleasant to be compelled to refer to the indisputable fact that medical science has utterly failed to afford relief in rheumatic cases. We venture the assertion that although electricity has only been in use as a remedial agent for a few years, it has cured more cases of Rheumatism than all other means combined. Some of our leading physicians recognizing this fact, are availing themselves of this most potent of Nature's forces.

### TO RESTORE MANHOOD AND WOMANHOOD.

A man has not yet discovered all of Nature's laws for right living, it follows that every one has committed more or less errors which have left visible blemishes. To erase these evidences of past errors, there is nothing to equal Electricity as applied by the Owen Electric Body Battery. Rest assured, any doctor who would try to accomplish this by any kind of drugs is practicing a most dangerous form of charlatanism.

### We Challenge The World

to show an Electric Belt, where the current is under the control of the patient as completely as this. We can use the same belt on an infant that we would on a giant by simply reducing the number of cells. Other belts have been in the market for five or ten years longer, but to-day there are more Owen Belts manufactured and sold than any other makers combined.

**ELECTRIC INSOLES.** Dr. Owen's Electric Insoles will prevent Rheumatism and cure Chilblains and Cramps in the foot and legs. PRICE, \$1.00 SENT BY MAIL.

### EXTRACTS FROM CANADIAN TESTIMONIALS.

"For eight years I have suffered with rheumatism, and am now out of pain and growing better daily and in my 54th year. Can confidently recommend the Owen Belt when every thing else fails." A. Menzies, Niagara Falls.

"Having some knowledge of electricity and its power, and having used other belts prior to my use of yours, I can say that it is the best I have ever worn." Jas. Blair, Port Dalhousie.

"Am much pleased with belt; it has done me a great deal of good already." J. Sergerim, Galt, Ont.

"Saved my life when I had muscular rheumatism." Mrs. Carroll, West Market St.

"Your Electric Belt cured a violent attacked sciatic rheumatism of several months standing, in eight days." Jas. Dixon, sen., Grand Valley, Ont.

"Have been sufferer for years from nervous headaches and neuralgia. After trying one of your belts am more than satisfied with it. Can knock out a headache now in fifteen minutes that used to keep me in bed for days." Thomas Gales, Crawford Street, Toronto.

### BEWARE OF IMITATIONS AND CHEAP BELTS.

Our attention having been attracted to the many base imitations of "The Owen Electric Belt," we desire to warn the public not to be deceived by the false statements of men calling themselves electricians, who lacking brains sufficient to produce an Electric Belt of their own creation, have copied as near as they dare in appearance, the "Genuine Owen Electric Belt" that has stood the test of years and with more than a continental reputation. In justice to ourselves and generous public we are determined to expose such unprincipled trickery, and prevent, if possible, the unsuspecting from being gulled by such men and means.

The Owen Electric Belt Co. is not afraid of fair and open competition, as their goods have no equal in this or any other country, and will bear inspection by those competent to judge—and so great are they in demand that there are more of them made and in use than all other makes combined. Each Chicago factory alone being the largest of its kind in the world.

Our Trade Mark is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by the Owen Electric Belt and Appliance Co. None genuine without it.

The cheap so-called Electric Belts advertised by some concerns are perfectly worthless as a curative power and dear at any price. A genuine Electric Belt cannot be manufactured and sold at cheap prices. Send six cents for illustrated catalogue of information, testimonials, &c.
