The attention of the insuring public and live progressive agents is called to the following reasons for selecting this company:

**First**—It is the only Canadian company that has from its inception given its policyholders the security of a four per cent. reserve; all others without exception reserving on a lower standard.

**Second**—The policy contract is as liberal as any issued. No restriction as to residence, travel or occupation, and incontestable after one year.

**Third**—The premium rates are low and the cost to the policyholder is certain to be less than in any other company because a better rate of interest can be earned in the west than at the home of any other company.

**Fourth**—Every desirable plan of insurance is issued from the low-priced PAY AS YOU GO plan to the shortest single premium endowment.
