

PIANOS.

In purchasing a Piano, procure the best. There are many claiming to be, and are, good instruments, but there is but ONE to which the superlative title of

THE BEST PIANO

can be or is applied by the unanimous voice of all the great artists and musicians of the day—and those, after all, are the most competent judges—to those celebrated makers who contend for the laurel crown. In France there is but *one*; in England there are *three*; in America, *two*;

IN THE WORLD

there is but ONE PIANO which the great artists and musical critics of EVERY NATION unite in pronouncing the best in POWER, ACTION, TONE and DURABILITY. The unanimity of this testimony is something surprising, and without parallel in the history of this wonderful instrument; but so it is. Ask any of the great leaders of the musical world, "Which of the Pianos now ranked as first class do you prefer?" and the answer

IS WEBER'S!

"Why?" "Because, from its marvellous power of expression, the artist can stir the very depths of the human soul, and portray love, pity, hope, joy, sorrow, anger or despair, at pleasure."

Read what these great artists say of it in the large descriptive Catalogues just published, which will be furnished on application at the

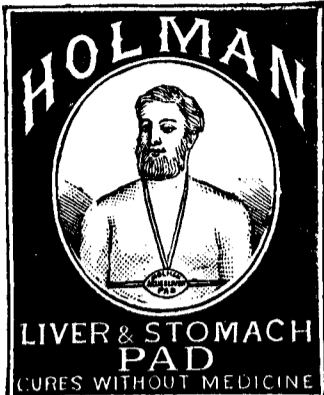

Wholesale and Retail Agency,

183 St. JAMES STREET

MONTREAL.

THE HOLMAN PAD VS. DIPHTHERIA.

TRUTH STRANGER THAN FICTION.

Read what a well known Citizen of Montreal has to say about the Pad.

HOLMAN LIVER PAD CO.,
301 Notre Dame Street,
51 Bleury Street, Montreal.

DEAR SIRS,—You want to know the particulars of the case of Diphtheria in Lancaster. The lady was getting better of Diphtheria. When she heard of the Pad she sent to me for one, but when it arrived her doctor would not allow it to be put on her. Having it on hand she put it on one of her children, of which she had four. In less than two weeks from this time *one* was all she had left, the other three having taken diphtheria and died, the one that had the Pad on coming through unscathed—not even having any sickness of any kind; and this happened in a neighbourhood where nearly whole families were swept off by the scourge, one in particular lost ten children and one of the parents—the lonely father only being left.

Yours truly,
JAMES INGLIS.

WANTED

Farmers sons immediately. The best paying business in America. Five to ten dollars per day can be actually made, we mean it, or will forfeit five hundred dollars. Be sharp if you want a good business, as we employ only one man in each County, and the goods manufactured by us are not only staple and well made, but low in price, with large profits, and sell in nearly every house. Write address plainly on Postal Card, stating age and if you have a horse, and we will forward you circulars, containing agent's conversation, terms, &c., by return mail. Address the U. & Mop Wringer Co., Ottawa, Canada.

GRAND TRUNK RAILWAY.
