

A Final Note

The Occupational Health and Safety Section's goal is to provide guidance that will help DFAIT employees meet their legal responsibilities under the *CLC - Part II*, thereby preventing or reducing work-related illnesses and injuries. Through our program, we promote awareness, involvement and cooperation from departmental managers and employees to ensure a healthy, safe and hazard free environment for everyone.

We Invite You to Contact the Occupational Health and Safety Section (Human Resources Policy and Strategic Planning Division — HRP)

Christina Dowler, Chief
(613) 996-0881

Brenda Larivière,
Occupational Health and Safety Officer
(613) 944-7119

Line Leclair, Ergonomics Advisor
(613) 996-0869
