PICKERING—PROPOSED CHANGE IN VALUATION DATE OF EXPROPRIATED PROPERTIES—REQUEST FOR UNANIMOUS CONSENT TO MOVE MOTION UNDER S.O. 43

Mr. Norman A. Cafik (Ontario): Mr. Speaker, I rise pursuant to Standing Order 43 to raise a question of urgent necessity respecting the Pickering airport announcement of yesterday. The decision that was made yesterday follows two years and 21 days after the original date of confirmation of expropriation which set the values for the property involved. I consider it a matter of very grave urgency that something be done in respect to this, in light of the fact that the government, through the previous Minister of Public Works, the Minister of Transport (Mr. Marchand) and others, made statements indicating that that property would not necessarily be needed and that a final decision would be made after the airport inquiry.

Therefore, I move, seconded by the hon. member for York West (Mr. Fleming):

That in respect to the Pickering airport properties, this House instruct the Minister of Public Works to take whatever action is necessary to advance the valuation date for those in occupation at the time of the original notice of confirmation to the date that such persons replaced their properties, or the date the Crown takes physical possession of such properties, whichever is the earlier, as one step in assuring that expropriated persons are provided with reasonably equivalent premises to replace those which have been taken from them.

Mr. Speaker: Order, please. The House has heard the terms of the motion. It being proposed pursuant to Standing Order 43, it cannot be debated without the unanimous consent of the House. Is there unanimous consent?

Some hon. Members: Agreed.

PICKERING—SUGGESTED CHANGE IN NAME OF TORONTO INTERNATIONAL TERMINAL 2—REQUEST FOR UNANIMOUS CONSENT TO MOVE MOTION UNDER S.O. 43

Mr. Bill Kempling (Halton-Wentworth): Mr. Speaker, I should like to place a motion before the House under the provisions of Standing Order 43 on a matter of significant and immediate necessity, namely the importance of saving our quality of life and our tax dollars, and as well, saving the face of the Minister of Transport (Mr. Marchand). Therefore I move, seconded by the hon. member for York-Simcoe (Mr. Stevens):

That this House respectfully advises the government to resolve at least one outstanding mess in our national transportation policy by simply changing the name of Terminal 2 at the Toronto International Airport to the Pickering International Airport.

Mr. Speaker: Order, please. I have already twice indicated the acceptability of the general subject of the Pickering airport but certainly this motion has a different slant. The motion being proposed pursuant to Standing Order 43, it

[Mr. Speaker.]

cannot be debated without unanimous consent. Is there unanimous consent?

REQUEST FOR RE-OPENING OF ROGERS PASS ON TRANS-CANADA HIGHWAY—REQUEST FOR UNANIMOUS CONSENT TO MOVE MOTION UNDER S.O. 43

Mr. Howard Johnston (Okanagan-Kootenay): Mr. Speaker, I rise under the provisions of Standing Order 43 on a matter of urgent and pressing necessity. In view of the fact that the Trans-Canada highway at Rogers Pass is closed indefinitely as a result of this government's failure in its labour relations with its own employees, I move, seconded by the hon. member for Surrey-White Rock (Mr. Friesen):

That this government take such emergency measures as are necessary to re-open the Trans-Canada Highway and to ease the emergency situation building up at Golden, B.C., and in the national parks of western Canada.

Mr. Speaker: Order, please. The motion being proposed pursuant to Standing Order 43, it requires the unanimous consent of the House for debate. Is there unanimous consent?

Some hon. Members: Agreed.

PROPOSED ALTERNATIVE METHOD OF DELIVERING OLD AGE PENSION CHEQUES IN CHURCHILL RIDING—REQUEST FOR UNANIMOUS CONSENT TO MOVE MOTION UNDER S.O. 43

Mr. Cecil Smith (Churchill): Mr. Speaker, I rise under Standing Order 43 on a matter of urgent and pressing necessity to all Canada, and I would urge the unanimous consent of this House.

I have filed this morning with the Postmaster General (Mr. Mackasey) a list of 77 communities in the Churchill riding which will not be receiving old age pension cheques this month because of the postal strike. I would move, therefore, seconded by the hon. member for Provencher (Mr. Epp):

That the Postmaster General deliver the said cheques to my office and provide the services of one of the government's Jet Stars to see that the needy people of my riding receive their cheques on time.

Mr. Speaker: Order, please. The motion has been proposed pursuant to Standing Order 43 and requires the unanimous consent of the House to be debated. Is there unanimous consent?
