

NOTICE PAPER

Inquiries of Ministry—On Monday next

No. 2,164—*Mr. Skoberg*—May 1

1. Under the Roads-to-Resources Program, what amounts has Saskatchewan received from the federal government for each year from 1958 up to and including 1967?

2. Has the federal government any record of the amounts spent by companies in Saskatchewan as their one-third share of any approved access road and, if so, what is the amount for each year the program was in effect?

No. 2,165—*Mr. Skoberg*—May 1

1. Has a special Task Force been established within the Department of Transport on the functions and responsibilities of the Department and other agencies and bodies involved in the transportation industry?

2. If so, who are the members of this Task Force and what are their specific terms of reference?

3. When is it anticipated that the report of this Task Force will be completed, and will this report be Tabled in the House of Commons?

No. 2,166—*Mrs. MacInnis*—May 1

Is the Combines Investigation Branch of the Department of Consumer and Corporate Affairs investigating misleading advertising practices of car and appliance leasing companies?

No. 2,167—*Mr. MacDonald (Egmont)*—May 1

1. Was a programme for the Canadian Broadcasting Corporation Ottawa series "Something Else" videotaped on March 6, 1969?

2. What was the nature of that programme and who were the participants?

3. On what date was it subsequently shown and, if it was not shown, what prevented it from being telecast?

4. What steps are being taken to prevent further instances of this kind?

5. Was anyone reprimanded for the difficulties that were encountered and, if so, who and what was the nature of the reprimand?

6. Are further steps being taken to tape and telecast this programme at a later date?

No. 2,168—*Mr. MacDonald (Egmont)*—May 1

1. How many applications have been received relating to the Industrial Incentives Designated Areas of Halifax, Dartmouth, Saint John and Fredericton, since September 25, 1968?
