The Northern Pacific Railway Company have made another change in their time card, which came into force on Sunday last. The express on the main line departs now at 10.15 a.m. instead of 10.05 a.m. and arrives five minutes sooner than before. The Portage train leaves Winnipeg at 7 p.m. and arrives at the Portage about 10 o'clock, returning at 7.40 a.m. and arrives in Winnipeg at 10.15 a.m. The trip from Brandon to Duluth is made in 28 hours.

According to the *Monetary Times*, the Legislature of South Dakota has passed a law compelling mercantile agencies doing business in that State to deposit with the State treasurer \$50,000 to be held in trust to satisfy all suits for damages for alleged misrepresentations of business men in the reports of the agencies, and also to pay a tax upon their receipts. Bradstreet's and R. G. Dun & Co. will not attempt to act in violation of the law, but will simply cease to do business in that State until the obnoxious law is repealed or the courts pass upon its constitutionality. If the mercantile agencies enforce this plan, it will result disastrously to the merchants of South Dakota, who, having no financial rating, will find it difficult to induce jobbers to sell them goods except for cash.
