YOUR WORN-OUT STOMACH.

What it needs is the strengthening influence of Dr. Hamilton's Pills—they work marvels where the stomach and digestion are poor. In one day the appetite increases and the whole system is rapidly strengthened. No stomach specialist could write a better prescription than Dr. Hamilton's Pills of Mandrake and Butternut. At all dealers in a yellow box, price 25c, or five boxes for one dollar.

The board did not follow a policy of selling below the amount of taxes due.

No joy or pleasure on this earth quite equals that which comes into the home when baby arrives. Who can describe the happiness of man and woman, joined

and flesh of their flesh? And who can depict the hopelessness and dejection that hover about the home where the wife is incapable of becoming a mother? Barrenness proceeds from some derangement of the distinctly feminine organs. Many of the common ailments known as "female troubles" cause it. Dr. Pierce's "Iemale troubles" cause it. Dr. Pierce's
Favorite Prescription overcomes barrenness by stamping out diseases of women,
and by healing and curing ulceration. It
tones up the system, stops drains, and
restores strength. During gestation it
modifies morning sickness, gives elasticity to the overstrained parts concerned,
makes the hour of baby's coming short
and almost painless, and gives wonderful
recuperative power to the patient. By recuperative power to the patient. By making the mother strong and cheerful, it makes the little one healthy, vigorous and good natured. Insist upon the medicine dealer giving you Dr. Pierce's Redealer giving you Dr. Pierce's Fa-

vorite Prescription when you ask for it. Substitutes are often dangerous. Mrs. James W. Blacker, of 029 Catherine St., Syracuse, N. Y., writes: "Your medicines have done wonders for me. For years my health was very poor; I had four miscarriages, but since taking Dr. Pierce's Golden Medical Discovery and Favorite Prescription'! I have much better health, and now I have a fine healthy baby." For 31 one-cent stamps to cover cost of mailing only, you can get a free copy of that celebrated doctor book, the Common Sense Medical Adviser, 1008 pages, illustrated. Cloth-bound, 50 stamps. Ald. Stewart challenged any one to be settled before the armies prove that the district had ever been so dedicated.
