men of all denominations to the fact

If you want a very good piano or an organ, and yet one that doesn't cost a fortune, come in and look around our bargain room. Very often the pianos and organs we accept in exchange are as good as new. Sometimes new pianos from our own stock are sold at a great bargain because of a bruise in the case. Just now there are exceptional opportunities.

Excellent pianos and organs in excellent condition. A very small payment down and small monthly or quarterly payments will do. If you can't call better write us for terms and prices.

We are headquarters for the celebrated Edison Phonographs and Victor Talking Machines, Records and Supplies.
