Sherring will visit the Woodbine on Saturday. He had better look up his silverware and Minerva.

Toronto has won three games in succession. Providence certainly was good to them.

Rube Waddell got mixed up with an auto accident, and broke his thumb the other day. The eccentric one should never be allowed out of his cage under any circumstances.

A 100 to 1 shot got home at the Woodbine yesterday. No, it was not the same bet, but he had just as good a chance.

The fact that the Laurier Government has a big surplus does not tickle the Woodbine habitués to death. What he wants is car fare.

Prof. Wm. Sherring, the distinguished explorer, who has just returned from a run through Greece, claims that the Hill of Athens is only a pimple compared to Hamilton's mountain—Dad.

Miss May Sutton, of Pasadena, Cal., sails for England today aboard the Oceanic, to defend her title of English national lawn tennis champion. Miss Sutton said that she is in the best trim for the games, which will be played on the courts of the All-England Tennis Club at Wimbledon, London. She does not expect to play in another tournament abroad.

New York Journal asks if two people can live on fifteen per. Good many here will ruddy well have to by the time these races are over—Telegram.

A New York watter has inherited a quarter-million. If he throws up his job for a squiggly little thing like that his time must have been as punk as those handed out by the prophets of the local press—Telegram.

After Kinleydale's trial the other morning, when he worked a mile in less than 1:40, Mr. N. Dymont was offered \$40,000 for the colt. He's a beauty, sure enough, and a horse of class. He is the best Canada ever had.

A German professor claims that the time is coming soon when there will not be enough water on earth to support human life. And just look at the price of booze!

When the time comes when there is no water, Seagram will be more popular than ever.

Tim Hurst, when interviewed on his suspension for hitting Clark Griffith, said: "Who'd a thought I'd get a nice little vacation for plugging Griffith? And in New York, too! Bam's my friend."

The old trust is in control of the fighting game in New York. The steering committee is working diligently on a splendid programme, which will consist of a few dub fights and a fine lot of fakes.

A man cannot become an expert golfer by eating link sausage. Galveston News.

In classic Boston they now refer to the American League team as the caudal appendage.

Just now he doesn't care. Though nations rage; He has no thoughts to spare For history's page. Diplomacy's shrewd art Moves not his soil— One passion has his heart In its control.

Scientists declare that the recent earthquake traveled around the globe five times, taking only five hours on each trip. That must be a mistake. They must have been timing Wicklight's famous morning trial.

The grand trotting mare Angiola, 2:07 1/2, weighs over 1,200 pounds, and she is not by any means the only fast trotter that has the size of a coach horse, despite the fact that the draft-horse organs are always talking about the "worthless little trotters." If one will look over the list of 2:10 trotters there will be found many with size enough to have made them useful on coach or carriage. Among them are: Crescens, 2:02 1/2; Sweet Marie, 2:04 1/2; Azote, 2:04 1/2; Directum, 2:05 1/2; George G., 2:05 1/2; Fantasy, 2:06; Bingen, 2:06 1/2; Norman B., 2:06 1/2; Charlie Harr, 2:07; Glenwood M., 2:07 1/2; Jay McGreger, 2:07 1/2; Peter the Great, 2:07 1/2; Grattan Boy, 2:08; Martha Wilkes, 2:08; Askey, 2:08 1/2; Lionero, 2:08 1/2; Patchen Maid, 2:08 1/2; Dare Devil, 2:09; Nelson, 2:09 1/2; Allison, 2:09 1/2, and many others. There may have been a time when the trotter, as a breed, was characterized by a lack of size, but it is not so now, nor will it ever be so again, for the trend of breeding operations is towards a horse combining size, finish and speed—Horse World.

A CORNER FOR THE FANS

On the form he has displayed this season, Turner will push the best shortstops in the league for leading honors.

Outside of Jimmy Collins and Grimshaw, none of the Boston regulars are hitting at a respectable clip.

To Frank Pfeiffer belongs the honor of giving the world's champions their first shut-out of the season, at the same time breaking a ten-game string of successive victories.

Artie Brenner's Horse Beaten by Bobbie Kean in Handicap—Records Broken.

Toronto, May 23.—The Woodbine track was fast again today and two new records were made. Diamond ran 5 furlongs in 1:00 2-5 and Bobbie Kean, the winner of the Leamington handicap, covered the mile in 1:32 3-5. The third race was won by the 100 to 1 shot, Euripides, who led all the way.

The first run up in the selling race at the meeting occurred after Loupania won the sixth race. She was entered at \$300 and was sold up to \$705, at which figure she was retained by the owner, Robert Davies.

Mr. A. H. Brenner's (London) New Mown Hay, at 4 to 1, was second to Bobbie Kean in the Leamington handicap, beating out such good horses as Little Scout, Sir Ralph and Pete Sterling.
