Dear Sir:

Re Rex vs. Samuel Bodge.

I have to refer to your letter of October 10 and to previous correspondence in connection with this Indian, charged with murder.

It would be appreciated if you would be so good as to notify the accused and the Crown Attorney that you no longer represent the accused, and that this Branch does not intend to take further action in the matter.

I am advising the Indian Agent of your withdrawal from the case.

Yours very truly,

*m. d.*
