AT CHATHAM

Governor General Reached Dominion Engineer Will Sub-There Yesterday---A Quiet

Chatham, N. B., Aug. 6—(Special)—The weather was all that could be desired and flags were flying from every staff as the vice regal party sailed up the noble Miramichi this morning on board the steamer Minto which anchored off Chatham about wharves, with a view to making a deviate of the state of the st 9 o'clock. On account of it being Sunday there was no public demonstration on their arrival. They were simply meeted by Lieut-Governor Snowball, Mayor Nicol and others, who extended to them

their arrival. They were simply sectived by Lieut-Governor Snowball, Mayor Nicol and others, who extended to them a hearty welcome.

Shortly afterwards they landed and carriages being in waiting they, accompanied by Mayor Nicol, drove to St. Paul's quaint little church about two miles up river, where they attended the regular Sunday morning service, conducted by Venerable Archdeacon Forsythe. Returning, they were joined at luncheon on the Minto by Lieut-Gov. Snowball, Premier Tweedie, Mayor Nicol, W. St. Loggie, M. P., O. Turgeon, M. P., and Mayur Miller, of Newcastle.

Early in the afternoon a party of ladies joined them, among them being Mrs. J. B. Snowball, Mrs. W. B. Snowball, Miss Thompson, Mrs. Nicol, Miss Nicol and Miss Pierce. The party then sailed up to Newcastle.

His Excellency Earl Grey and Lady Grey, accompanied by Mayor Nicol, were taken around the town in Mr. Miller's automobile and, returning to the Minto, proceeded down river again. Near Middle Island the Chatham party said farewell to the distinguished guests and returned home by the steamer St. Nicholas.

The Minto will call at Dalhousie tomorrow on the way to Quebec.

A sad feature in connection with the visit was that a young sailor who had mounted the flagstaff in the Newcastle park to untwist the ropes that had become entangled in hoisting the flag fell to the ground and broke an arm and ankle.

MYSTERY

Body of Dorion Mitchell Found in Lake St. Louis Saturday

Montreal, Aug. 6—(Special)—The body of Dorion Mitchell, a man past middle age, was found in the water near Isle Ronde, in Lake St. Louis, on Saturday morning, and as a result Charles Kernish, Mrs. Kernish and Mrs. Chase. Girard, her sister, are under arrest. The dead man's head showed marks of violence, and the arrest of the trio followed a report on its condition by medical experts.

The two women and the two men formed a picnic party on Thursday and rowed out to the island, where the day was spent in merry making. Towards evening Mrs. Girard, who lives in Montreal and, with her husband, was visiting at Pointe Claire, the home of the other three, said she was nervous and wished to be rowed to the mainland. Apparently the others had decided to remain on the island all to the mainland. Apparently the others had decided to remain on the island all

had decided to remain on the island all night.'

According to the story in which the three prisoners agree, Kernish started at dusk to row Mrs. Girard towards Pointe Claire, leaving his wife and Mitchell on the island, but scarcely had a start been made when Mrs. Kernish screamed as if in terror, and then the husband returned to shore and, picking up a couple of empty bottles, started into the woods, muttering vengeance on the head of Mitchell. That is Mrs. Girard's statement.

Halifax, Aug. 6—(Special)—A southeast gale, with heavy rain set in here at 5 o'clock this evening.

Rev. Samuel W. Gamble, national Sabbath rest evangelist of Ottawa, Kansas, delivered addresses here four times today to large congregations. He stated that in the United States one-sixth of the workingmen labored seven days of the week all the same.

The Halifax firemen who took part in the Sydney carnival sports returned home

Mitchell. That is Mrs. Girard's statement.

Mrs. Girard did not follow, but, becoming more nervous than ever, she pulled out into the lake and floated aimlessly about until morning.

When Mitchell's dead body was found on Saturday morning the authorities naturally looked to his companions for an explanation. Kernish says that when he explanation. Kernish says that when he explanation. Kernish says that when he awoke in the morning his wife came up from the shore and said that Mitchell had fallen into the water and drowned.

Mrs. Kernish asserts that the man really did fall into the water. Both agree that the wounds on the head must have been caused by a fall on the rocks.
