NEW PROVINCIAL SECRETARY CHOSEN

The holding of the Wallace Nesbitt junior first aid competition among boy scouts, girl guides, cadets and similar organizations this season was considered at a meeting of the New Brunswick Council of the St. John Ambulance Association, held yesterday afternoon in the Red Cross rooms. This competition was felt to be most important for the advancement of first aid interests and it was decided to extend an invitation to Colonel A. B. Snow to represent the cadet corps on the council. A committee consisting of W. S. Allison, Judge H. O. McInerney, A. C. Skelton, Colonel Snow and Miss Irene Harber was appointed to make all arrangements for the holding of the competition this year.

Dr. Murray MacLaren, the president, was the chairman of the meeting and in his opening remarks referred to the excellent work accomplished for the association at the St. John exhibition by those in charge of the first aid booth. A hearty vote of thanks was extended to the committee, of which Mrs. J. Boyle Travers was convenor, and to Mrs. A. M. Rowan and Miss Marion L. C. Magee. A. C. Skelton gave the treasurer's report.

The appointment of Miss Irene E. Harber to succeed Miss Marion L. C. Magee as provincial secretary was confirmed. Miss Magee's departure was much regretted and the best thanks of the council were expressed for her valuable and efficient services during the last year.

W. M. S. SHARE IN ANNIVERSARY

Continuing the anniversary services of Carmarthen street Methodist church, a largely attended missionary meeting was held in the church hall last evening. Mrs. Fred Morrissey, president of the W. M. S., presiding. The singing was led by a ladies' choir. Mrs. MacLavish gave an address, describing her personal experiences in Trinidad and British Guiana, which she had visited in order to see for herself the conditions under which the missionaries labored. Fifty-three years ago, Mrs. MacLavish said, Rev. John North opened a Sunday school

in Trinidad with two East Indian children, as pupils. Today, the mission numbers 14,000 souls, among whom a great educational work is being carried on. Mrs. MacLavish's description of these tropical countries, the peoples and their customs, was vivid and interesting. Previous to the address by Mrs. MacLavish, a short programme was given, consisting of a dialogue with musical accompaniment by Miss Margaret Marshall, Miss Ethel Brindle, Miss Estella Earle, and Miss Nina Brown; a duet by Mrs. Wallis and Mrs. Taylor; a solo by Mrs. Oscar Brentnall; a reading by Miss Pearl Taylor.
