COVEY WINS ON NORTH SHORE

Chatham, May 16.—This section of the north shore has no notion of breaking away from the A. A. U. of C. At a special meeting of the Chatham Amateur Athletic Association called last night to discuss baseball matters and the much-talked-of Covey affidavit, it was decided to have nothing to do with the new independent organization whatever. E. W. Watling, North Shore representative of the M. P. B. of the A. A. U. of C., addressed the meeting and explained the affidavit section by section, and made a strong plea that Chatham athletes remain amateur. After a short discussion the association was unanimous in declaring themselves for Mr. Covey and the M. P. B. of the A. A. U. of C. and all affidavits of Chatham amateurs will be in Mr. Covey's hands in a few days. Among those present at the meeting were delegates from all the towns, comprising the newly formed Miramichi league, and all these said that the league would be strictly amateur. At the close of the meeting the delegates received copies of the affidavit, which would be signed before the opening of the league on May 24. The C. A. A. A. decided to launch a local baseball league composed of three teams and a schedule will be drawn up this week.

YORK CO. A. A. A. IS ORGANIZED

Fredericton, May 16.—The York County Amateur Athletic Association was organized here tonight and officers were elected as follows: President, A. W. Coombs, of Devon; vice-president, J. B. McNair, of Fredericton; secretary, Jack Lums, of Fredericton; treasurer, G. T. Feeney, of Fredericton. The association will affiliate with the M. P. B. A. A. U. of C. with register their athletes and will also furnish the required affidavit. The association will take general supervision of athletics in this part of the province and it is already promoting the baseball league and a field and track meet. The baseball teams, according to the present indications, will be four in number, namely, Devon and Y. M. C. A., Imperials and Victoria Mill, all of Fredericton. The track and field meet will be held on June 3 for athletes under eighteen years of age.

U. OF N. B. MEET.

Fredericton, May 16.—The annual track and field meet of the University of New Brunswick took place this afternoon. Owing to the fact that the academic year closes a fortnight earlier than it did several years ago, the period for outdoor training is curtailed. One record was tied, H. Chip Seely of the freshman class, tying the record of W. Binney, and Paul L. Kuhring of the class of 1918 in the 100 yards dash. The time was 10.2 seconds.

In other events nothing startling was done, although the college were approached in some cases. In the three high school events, Provincial Normal made a better showing than Fredericton.

High, but competition was close, the relay race deciding it. In the university events the interest lay in the contest between H. H. Trimble, of Hampton, 22, and H. C. Seely, 26, of Fredericton, late of St. John, for points. Trimble made the best showing with 22 to Seely's 19. The results will decide the award of the Sir Frederick Williams-Taylor medal for athletic proficiency.

As there is doubt tonight concerning the number of points to be awarded Trimble for football, the award will not be known until Wednesday.

The results were as follows:

100 yards dash—Seely, 1st; Trimble, 2nd; Miller, 3rd. Time, 10.2-5 seconds.

High jump—Legate, 1st; Seely, 2nd; Miller, 3rd. Height, 5.2 feet.

Pole vault—Miller and Barbour, 1st; tied; Trimble, 2nd. Height, 8.3 feet.

Hammer throw—Trimble, 1st; Squires, 2nd; White, 3rd. Distance, 26.1 feet.

Running broad jump—Seely, 1st, 19.3 feet; Trimble, 2nd, 19.23 feet.

800 yards dash—Trimble, 1st; Rogers, 2nd; Squires, 3rd. Time, 2.24-5.

1 mile run—Trimble, 1st; Rogers, 2nd; Seely, 3rd. Time, 6.01-3-5.

High School Events.

The results of the high school events were as follows:

220 yards—Gillard, Provincial Normal, 1st; McCaffrey, Fredericton High, 2nd; S. Fenwick, Provincial Normal, 3rd. Time, 27.3-5 seconds.

Running broad jump—McCaffrey, Fredericton High, 17.15 feet; Gregg, Provincial Normal, 2nd, 17.05 feet; C. Woods and A. Squires, Fredericton High, 3rd, tied, 16.4 feet.

One mile relay—Provincial Normal, 1st, Gillard Dysart, Bradley and Gregg; Fredericton High, 2nd, Woods, McCaffrey, Squires and McCaffrey. Time 3.59-2-5.

NEW YORK, May 16.—Morvich will not be sent to Canada for an exhibition or special match race, his owner, Benjamin Block, said today, while awaiting the return of the Kentucky Derby winner from Louisville.

"The risk is too great, much as I would like to help in any worthy charitable cause," said Mr. Block, commenting on a despatch from Toronto saying that his brother Louis was hoping to

AMAZING SMOKING STATISTICS.

New York, May 17.—The number of cigarettes smoked in the United States during the year has now passed the amazing total of 80,000,000,000, according to the internal revenue bureau. This gigantic figure means—if it is assumed that some of the women and most of the children have not yet taken to cigarettes—that the average male cigarette smoker in the United States must account for at least five a day. The internal revenue figures say he does. And common observation agrees.

Trinity Wins.

The badminton club from St. John's (Stone) church suffered their first defeat in eight starts on the Trinity courts last evening, when the Trinity players took ten of the sixteen events. Refreshments were served at the conclusion of play last evening. The results follow:

Withstand More Moisture

On damp, rainy days and hot humid days, ordinary matches "lose their heads." Moisture softens the heads and match after match crumbles without lighting. That's waste.

"Maple Leaf" Matches withstand more moisture than any other match. They are the new and better matches—made in the new Canadian match factory. Ask for them.
