TAXES AND RENTS.

To the Editor of The Times: Sir,—It would appear that the landlords of the city are determined, this year, to increase rents to even a greater extent than in former years.

The one excuse which the landlords hold before the eyes of his helpless tenant is the increased taxation, which he (the landlord), has to pay.

Let us look into the matter of taxes a little, and I will cite my own case, as an example.

I am a tenant in a two family house, which the assessors claim they place a valuation on of \$8,000, the property being freehold.

Last year the taxes were increased thirty-six cents per hundred dollars, which would place \$10.80 additional on this house. The increase of rentals for a year and a half at a 3 1/2 per cent rate; and this year we are confronted with practically the same increase.

In another case, one freehold three

family house on the same street, taxed on a valuation of \$4,000. I am informed by one of the tenants that their rents are to be increased \$10 per month each, or a total increase for the year of \$800 on the house.

I believe, Mr. Editor, that the sooner the tenants in the city get together and organize to fight the outrageous rentals demanded the better.

Possibly a tax or a super tax on high rentals, taking into consideration the assessed value might bring these landlords to their senses.

I would thank you if you could spare space to publish the foregoing facts.

Yours truly, TENANT.

AUTO BUILT FOR LIQUOR

But its Sagging Springs "Give it Away" to Dry Agents

Stamford, Conn., Jan. 25.—The most elaborate bootleggers' automobile taken so far in this state was seized here by Federal prohibition agents.

The sagging springs of the automobile attracted the attention of the Federal agents. Michael Naples of Brooklyn who said he owned the machine, and his companion, Alfred Adino of Boston were arrested.

They were locked up in default of \$800 bail each, charged with violating the Volstead act.

A KIDNEY REMEDY

Kidney troubles are frequently caused by badly digested food which overtaxes these organs to eliminate the irritant acids formed. Help your stomach to properly digest the food by taking 15 to 30 drops of Extract of Roots, sold as Mother Seigel's Laxative Syrup, and your kidney disorder will promptly disappear.

Kitchen Floor Covering

that is Serviceable Sanitary good to look upon

It Is Easy To Keep Clean and Soft To The Tread

In fact for the kitchen there are no floor coverings more satisfactory, more economical or easier to keep clean than these Made-in-Canada Floor Coverings.

LINOLEUM Floor Oilcloth and Feltol

Floor Coverings may now be purchased at lower prices than have prevailed for years. But it is not only their low first cost that recommends them to the thrifty housewife—their wear-resisting qualities make them the least expensive as compared with hardwood or other types of floor coverings.

Your dealer will show you a wide variety of pleasing designs in Linoleum, Floor Oilcloth and Feltol, suitable for any room in the house, as well as a wide choice of Linoleum and Floor Oilcloth Rugs in many attractive patterns.

To-day it is important to insist upon getting Made-In-Canada goods—insist therefore on getting Floor Coverings that are made in Canada, by Canadian workmen to withstand Canadian climatic conditions.

What Linoleum Is: Finely ground cork, scientifically combined with linseed oil, embedded in strong base of selected burlap, making the most durable of sanitary washable floor coverings. Wears like iron.

What Floor Oilcloth Is: Selected pigments are applied, layer after layer, to burlap back. Pattern is then printed and surface coated with wear-resisting varnish.

What Feltol Is: A new process felt base covering made on jet similar process to Floor Oilcloth. Most moderately priced sanitary floor covering.
