**SUCCESSFUL OUTING.**  
Three North End sportsmen—James D. Taylor, Charles M. Higgins, and C. Rogan—returned on Saturday after a most successful hunting trip in the woods about Kane's River near the Miramichi. Each of them secured a fine moose. The biggest was about ten days in the hunting season and are well pleased with the result of their outing. "Tom" McElachlan, Chipman, acted as guide. All of the moose were of a creditable size, with a good spread of antlers. Mr. Rogan's was the largest, the antlers measuring fifty-six inches, while those of the animals brought down by Mr. Taylor and Mr. Higgins each measured fifty-four inches.

**MR. SEGEE SAYS WAR IS NOT YET OVER**

John Segee's war with the Turnbull Real Estate Company is not yet at an end. The recent destruction of his house but added to his determination. He has now more vigorous campaign to secure what he considers his rights. Mr. Segee said yesterday that he had lost all hope of securing justice from the members of the legal profession in St. John and that he has been endeavoring to secure an outside lawyer. He recently undertook a trip to Fredericton on this quest, but found that all the barristers there were too busy to undertake his case. He has since carried the search across the boundary line and now declares that he has found a lawyer in the United States who is willing to come here and fight the case to the bitter end.

**HERE IS THE DETENTION HOME PLAN**

**Salvation Army Ideas for Carrying on the Work—Control, Equipment and Financing**

The plan for the conduct of a home for juvenile delinquents and a juvenile court as drawn up by Commissioner Rees, the head of the Salvation Army in Canada, and his officers, has been submitted to the Mayor Frank, and will be dealt with by the common council in general committee at an early date.

At the time of his last visit to St. John the commissioner met the members of the common council, the county secretary and others, and discussed the matter fully. His report and recommendations are the result of the conference. The proposals as submitted to the city are as follows:

The Salvation Army names conferred with Mayor Frank and members of his council with a view of establishing a Detention Home in the city of St. John, N. B. We now beg to submit the following:

1. The whole scheme to be worked as far as possible in accordance with the Dominion Juvenile Delinquent Act now in force, and any provincial legislation which may come into operation.
2. The Salvation Army to have control of the home and to work in co-operation with the county secretary or the chief of police and the chief residential Salvation Army officer in St. John, N. B.
3. The home to be in charge of an officer and wife and matron to be appointed by the Salvation Army.
4. The officer in charge of the home to be appointed a probation and trustee officer. This is extremely necessary for the following reasons:
5. Experience has taught us that the only plan by which satisfaction can be secured for the officers to be able to act in that way which, in his judgment, may meet the need of the moment.
6. Further, the officer must be in a position to bring the children before the court and carry out the instructions of the court in regard to penalties and guardians.
7. To co-operate with the principals of schools, the police and other authorities.
8. To generally deal with the situation so as to secure the betterment of conditions and surroundings of delinquent children in regard to their homes, parents and other connections.
9. The financing of the home to be as follows:—Rent, furnishing, travelling, officers, maintenance of inmates and all other expenses incidental to the upkeep of such an institution to be borne by the city.
10. The salaries of the officer and his wife, and matron, to be in accordance with the scale of Salvation Army allowances.
11. The officer to be responsible for the traveling of inmates.
12. It is thought the above will require \$4,000.
13. The institution to deal with both boys and girls.
14. A juvenile court to be established at the home.

**BOILER EXPLOSION CASE WON BY THE MILL OWNER**

Judge McKeown this morning delivered judgment in the case of Vaughan vs. Morher. His Honor dismissed the petition and found for the defendant on the ground that no negligence had been proven.

The case was tried before His Honor last June. The petitioner was Manford Vaughan, and he had been killed on November 15, 1910, in the explosion of a boiler in the mill of the defendant at St. Martins. The petitioner claimed damages under "The Workman's Compensation Act" on the ground that the boiler was old and defective.

A. A. Wilson, K. C., appeared for petitioner and J. B. M. Baxter, K. C., and D. King Hazen for the defendant.

The examination of Hyman Goldberg, a member of the firm of M. Goldberg & Co., who lately assigned for the benefit of creditors, was conducted before Judge Forbes this morning. The firm's liabilities are placed at \$100,000, while their assets are said to amount to about \$90,000.

The witness was subpoenaed at times to several cross-examination by Mr. Taylor and Mr. Kelley, and it was the opinion of the examination this morning that little light can be thrown upon a company's affairs from its books. The examination was undertaken at the instance of the Bank of British North America.

F. R. Taylor appeared for the Bank and J. King Kelley for inspector under the assignment.

**NIPPER IS CAPTURED**

**Irish Terrier is Found and Will be Sent to Toronto**

"Nipper," the Irish terrier which escaped from custody on the arrival of the first Express steamer of the season at Sand Point, several days ago, has been recaptured, and will be sent this afternoon to his new home in Toronto, where James Robertson, the owner, is expecting him. The dog looks as though he had fared some too well since getting away on the arrival of the steamer from Liverpool. He presents a rather quaint appearance.

The dog last evening paid a visit to the home of Alderman Scully in west St. John, and it was there that Walter Gaslin, who had signed for his transport some days ago, secured the animal this morning.

**WHITE-McKEE**

An interesting event, the announcement of which will come as a pleasant surprise to the friends of the marriage, took place in St. Peter's church last Wednesday, when Miss Ethel E. McKee, of west St. John, was united in marriage to John T. White, Miss Elizabeth Eiler was bridesmaid and Edward Carr acted as groomsmen. The ceremony was performed by Rev. Father Holland. The bridegroom is a conductor on the street railway and both he and his bride have many friends in the city who will join in wishing them the greatest happiness.

**NOT TALK BUT ACTION HAS MADE Ours THE LARGEST CLOTHING BUSINESS IN EASTERN CANADA**

It's easy enough for any store to praise its own merchandise, and to judge by the printed utterances of some stores, one would imagine that theirs was the only clothing worth buying. It's not what a store says, however, but what it does, that counts. You can't build a great business on a foundation of newspaper talk. You must produce the goods.

For twenty-three years we've produced the goods to back up every claim we ever made in our advertisements. We've produced the sort of clothing that has given thorough satisfaction. And being manufacturers selling to you direct we save you the middleman's profit, consequently our prices are 25 to 30 per cent. less than those of any other store. This is why our clothing business has become the greatest in Eastern Canada.

We don't deny that you can buy good clothing elsewhere. You can—plenty of it. But you can't buy elsewhere any good clothing as good as ours, for anything like our low prices.

A little investigating on your part will convince you that you can spend your money for clothing to the best advantage at Oak Hall.

Our variety of new Winter styles is immense and we can please and fit any man's fancy and pocketbook.
