

to make us a grant of Books to the amount of £150 sterling, providing that *that* Conference cannot make us a grant of Money, towards the Connexional stock.

10. That further details shall be prepared by the Committee, as they may deem fit.

XX. That the Conference shall petition the Provincial Legislature in favour of a Prohibitory Liquor Law.

XXI. That a Petition shall also be sent to the Provincial Parliament against Separate Schools.

XXII. That the Conference also petition the Provincial Parliament, praying for a better observance of the Sabbath, and in particular, that all the Government *employees* in the Post Offices shall be released from their toil on the Lord's Day.

XXIII. That in consequence of the many declensions from our Church through the use of intoxicating drinks as a beverage, and likewise, the incalculable injury their use has caused, and is still producing to society generally; the Conference, would most earnestly and affectionately request, all members in our Church to use every means in their power to discountenance their use.

XXIV. That the Conference is of opinion that it is especially desirable that all our official members should become Total Abstiners.

XXV. That all our members, official and unofficial are earnestly entreated to discourage Sabbath breaking, by refraining from travelling and working themselves, except in cases of necessity or mercy, and by discouraging public bakery and other persons from yielding to that vice. The members of our Church are particularly desired not to travel by Railway on the Sabbath days.

XXVI. That all our Ministers and members must use every prudent means to encourage Temperance Societies.

XXVII. That the Revs. G. Lamb, J. Fletcher, and Mr. T. Bateman, shall be our Representatives in the English Conference of 1856.
