Notice to Contractors.

SEALED TENDERS, addressed to the under-
signed, and endorsed "Tender for the Wel-
land Canal," will be received at this office until
the arrival of the Eastern and Western mails on
THURSDAY, the fifth day of July next, for the
formation of a new line of canal from Marlett's
Point, at Thorold, to Allenburg, including the con-
struction of a lift lock, guage lock, several weirs,
and piers and abutments for swing bridges, &c.
Also, the enlargement of about two miles of the
canal, from the Junction downward, together with
the construction of an Aqueduct over the Chippa-
wa River, a lock between the canal and the river
at Welland, piers and abutments for bridges, &c.
And the enlargement of the canal from Raney's
Point to Port Colborne, including the construction
of a guard lock, weir, and supply race, &c.
The works will be let in sections of a length
suitable to circumstances and the locality.
Maps of the different localities, together with
plans and specifications of the work can be seen
at this office on and after Monday, the 25th day of
JUNE next, where printed forms of tender can
be obtained. A like class of information relative
to the works north of Allenburg, can be seen at
the resident Engineer's office, THOROLD; and
for works south of Port Colborne, plans, &c., may
be seen at the resident Engineer's office, Wel-
land.
Contractors are requested to bear in mind
that Tenders will not be considered unless
made strictly in accordance with the printed
forms, and—in the case of firms—except there
are attached the actual signatures, the nature
of the occupation and place of residence of each
member of the same; and further, an accepted
bank cheque or other available security for the
sum of one to five thousand dollars, according
to the extent of work on the section, must ac-
company each Tender, which sum shall be for-
feited if the party tendering declines entering in
to contract for the works at the rates stated in
the offer submitted.
The amount req. in each case will be stat-
ed on the form of tender.
The cheque or money thus sent in will be re-
turned to the respective contractors whose Ten-
ders are not accepted.
For the due fulfillment of the contract, satisfac-
tory security will be required, by the deposit of
money the amount of \$50 per cent. On the bal-
ance of the Contract, of which the sum sent in with
the Tender will be considered a part.
Ninety per cent. only of the progress estimate
will be paid until the completion of the work.
To each Tender must be attached the actual
signatures of two responsible and solvent persons
residents of the Dominion, willing to become sure-
ties for the carrying out of these conditions, as
well as the due performance of the works embraced
in the contract.
This Department does not, however, bind itself
to accept the lowest or any Tender.
By Order,
P. BRAUN, Secretary,
Department of Public Works,
Ottawa, 14th May, 1877.
