RALEIGH. N. C., July 15.—The downpour of rain Friday, yesterday and last night was disastrous to farms and railways. The rain has now fallen over 36 hours, with practically no intermission. The smaller streams are raging. All farm work is at an end for some days.

#### TERRIBLE LOSS OF LIFE

TACOMA, Wn., July 15.—Oriental advices give details of a terrible destruction of human life, which occurred in Northern Java last month by a sudden and terrific outburst of the volcano Kloet. For fifty miles around all the coffee plantations and other estates were destroyed by showers of ashes and stones, together with great streams of lava and hot mud. Seven hundred natives and a number of Europeans perished.

Many protests are being made because the Russian authorities at Port Arthur are opening all letters to and from the American and European residents there. Nothing is permitted to be sent out that contains any allusion to Russian military affairs or criticism of Russian methods.

PAUL, Minn., July 12.—The re-of Cole and Jim Younger from the entiary is the culmination of per-ht and untiring efforts on the part ousands of citisens of Missouri and nesota, covering nearly a quarter (century).

Minnesota, covering nearly a quarter of a century.

Cole, Bob and James Younger, Jesse and Frank James, Charley Pitts and Cleil Miller, after a long career of brisandage, dating from the outbreak of the Civil War, came north into Minnesota in 1876, and an Sept. 7 rode into the village of Newthfield, drove the citiesses is soors and raided the bank. Cashler Haywood was killed and the bank vault looted, while a portion of the bank rode up and down the streets shooting at every person in sight. Just as the robbers prepared to depart, Charley Pitts was shot and killed by a citizen.

charley Pitts was shot and killed by a citizen.

After five days' pursuit all the Younger brothers were surrounded in the woods near the Iowa border and all were wounded before they gave up. Clell Miller was killed. Frank and Jesse James escaped into Missouri. The Younger brothers were convicted and sentenced to life imprisonment. It was pretty well established that neither of the Youngers did any killing and this saved them from capital punishment.

(The Trotter and Pacer.)

The once mighty trinity of pacers Star Pointer, 1.591-4, John R. Gentry, 2.001-2, and Joe Patchen, 2.011-4, now seem to be "lagging superfluous on the stage," and the rivairy for the honor of becoming their successors is keen and intense. Coney, 2.023-4, Anaconda, 2.021-2, Prince Alert, 2.02; Connor, 2.031-4 Frank Bogash, 2.033-4, and perhaps others are in the list of those that may become eligible. At the Dovertrack a few days since, "Happy Jack" Trout sent Anaconda a mile in 2.05 3-4, At Hartford "Andy" McDowell drove Coney a mile in 2.043-4, the last half in 1.011-2, last quarter in 30 seconds, while Ben Walker moved the Hoosier pacer Indiana, 2.041-2, a smooth mile in 2.07 stepping the last half in 1.02 1-2. These are the fastest performances so far recorded and they indicate that the high water mark of at least Joe Patchen may be exceeded this year by one or more of the three last mentioned. Prince Aiert has not been heard of yet, but it is understood that Mr. Hanley is desirous of having him beat "even time," and those who know the posibilities of this fastest representative of the hoppled division, entertain great expectations of him this year.

roadwood Surprised Reitz-Executed for Treason-More Mounted Troops Wanted.

LONDON, July 15 .- Lord Kitchener, in a despatch to the war office, firms the report of the capture of the wife of the acting President Schalk-Burger, and says the prisoner has been brought into Pretoria.

GRAAF REIMET, Cape Colony, July GRAAF REIMET, Cape Colony, July 15.—Colonel Scobel's column surprised and captured Scheeper's laager at Camdeboo July 14, taking 31 prisoners and capturing a quantity of ammunition and stores. Scheeper, with the bulk of his commando, escaped. There were no British casualties. Most of the prisoners are rebels. (Scheeper is the man who recently burned the public buildings at Murraysburg, Cape Colony, and some farm houses in that vicinity.)

LONDON, July 15.—"General Broadwood," says a despatch to the Daily News from Bloemfontein, "surprised Reitz due east of Lindley at dawn last Thursday, July 11. He fook twenty-nine prisoners including Gen. A. P. Clonwe and Gen. Wesels, Commandant Dwaal, First Cornet Piet Steyn (President Steyn's brother), Thomas Brain, secretary of the council. Steyn himself fied without coat or boots. Gen. De Wet is believed to have been present."

LONDON, July 15.—Lord Kitchener has advised the government, the Daily News understands, that it is possible to withdraw a large number of infantry regiments from South Africa, amounting virtually to the greater part of the unmounted army. At the same time he requests that he be supplied with more mounted men. The government is considering this, according to the Daily News, and will probably be guided by Lord Kitchener's advice.

"It is also contemplated," says the same journal, "if the infantry is largely withdrawn, to concentrate the British troops along the "Natal railway between Durban and Pietermaritaburg and between Johannesburg and Pretoria, thus carrying gold and provisions for the troops by a shorter foute than the Cape Town route. A portion of the line from Cape Town to Pretoria may be abandoned.

ST. PETERSBURG, July 2.—Large parts of the empire are again threatened with famine. The last official report which has just been published, is dated June 21.—Since then not a drop of rain has fallen in the eastern province, and it is believed the crops are now largely beyond hope in many districts. The provinces of Samara and Saratoff will probably witness a recurrence of the dearth of two or three years ago, and a dearth in these provinces is particularly dreaded on account of the ignorance and helplessness of the Pashkirs and Tartars, who make up a considerable part of the population there. The newspaper Volgar states that from all sides reports are coming in that both winter and summer grain are beyond hope of salvation, even should there be ample rains, and no hay at all will be harvested.

#### SOMEWHAT AMBIGUOUS.

BERLIN, July 15.—The Klein Journal prints a letter from United States ambassador White, to the editor of the paper, in which White says he will go to the United States in September to visit his family. Whether or not he will remain in Berlin, he writes, depends upon various considerations, particularly the status of certain questions between Germany and the United States, which doubtless will occupy the Reichstag at it's next session.
