NEWS FROM FREDERICTON.

FREDERICTON, March 14th—The funeral of the late W. B. Phair was held this afternoon from the residence of the deceased and was largely attended. Rev. Dean Partridge and Canon Roberts conducted a short service at the house and the cathedral choir rendered the hymn "Lead Kindly Light." The pall-bearers were Daniel Richards, W. T. H. Fenety, A. R. Wetmore, T. C. Allen, L. A. W. Tibbitts and J. A. Winslow. The procession proceeded to Springhill where a service was conducted at St. Peter's church by Dean Partridge and the rector, Mr. Montgomery and the remains interred in the family lot in the grave yard alongside of the church. The floral tributes were both numerous and beautiful, and testified in a small way to the popularity and respect in which the deceased was held. The post office was closed for three-quarters of an hour during the progress of the funeral out of respect to the deceased.

At a meeting of the senior class of the university this morning J. E. Palmer, of Hampstead, Queens County, was elected valedictorian of the class. Last night the thermometer dropped to 25 below zero—pretty good for this time of year.

Mayor-elect McNally will be sworn in tomorrow afternoon at the Departmental Buildings by Governor Snowball.

The funeral of the late Mrs. Spofford Barker took place this afternoon. The remains arrived on the western train at noon and at 1:40 Dean Partridge conducted the services at the Cathedral. The body was interred in the old burial ground.

SALT RESTORED DEAD TO LIFE.

ST. LOUIS, March 14—After having been pronounced dead by two physicians and a nurse, Mrs. Charles A. Sweet, wife of a provision merchant, has been restored by the infusion of a salt solution into her veins and is now believed to be recovering her health. Five weeks ago, Mrs. Sweet, suffering from gastritis, went to Hot Springs, Ark., in the hope of recovery. On the night of February 15 she seemed to be dying and eventually her heart ceased beating and respiration stopped. She was pronounced dead. A third physician, however, decided to try a salt solution infusion and there followed signs of animation. The operation was continued and Mrs. Sweet revived.

CLERGYMAN BEAT AND DESERTED WIFE.

NEW BRUNSWICK, N. J., March 14—After six hours deliberation the jury which tried J. Frank Cordova, the former South River, N. J., minister who eloped with Julia Browne, one of his choir singers, on a charge of abandoning his wife, came into court tonight with a verdict of "guilty as indicted." Cordova appeared to be greatly shaken by the verdict. He probably will be sentenced on Saturday. The extreme penalty is imprisonment for one year.

As soon as the case was given to the jury this afternoon the second indictment against the ex-minister was called. It accuses him of assault and battery upon his wife. She and her four-year-old daughter will be the principal witnesses. A jury was selected and the taking of testimony will begin tomorrow morning.

FAMINE THREATENS IRELAND.

LONDON, March 14—In the house of commons today John Redmond, in supporting Mr. Hayden's motion charging the government with failure to anticipate the distress in the west of Ireland, urged the government to take immediate steps to avert impending famine. Unless a remedy be found, he said, there will be no peace, and there ought not to be peace.

The land act of 1903, Mr. Redmond asserted, had utterly failed to settle the problem and the tide of emigration will not cease until the grazing lands of the west have been restored to the people. The existing conditions, he further said, are infamous and cruel, and have made English rule in Ireland abhorrent to humanity.

Mr. Atkinson, attorney general for Ireland, in defending the government, admitted the enormity of the evil, but said the difficulty of solving the problem was appalling, reciting the measures already taken, including the expenditure of \$8,000,000 by the congested districts board. He claimed that it was most unjust to say that the government had not taken every precaution to meet the distress.

Mr. Hayden's motion was rejected by a majority of 48.

GETTING RICH SLOWLY.

(Troy Press).
Ordinarily a great future is built up like a stone wall—a stone at a time. The young man who declines to lay the first stone, because it comes so far short of the wall, will never make progress in financial matters. An immense proportion of the people of this country live up to their incomes, laying aside nothing for the traditional rainy day. Because they cannot save \$1,000 in a bunch they say nothing. The greatest financial kings of the world have not been able to take care of the pennies even. The greatest financial institutions look after even the fractions of pennies.

Making its true merits known is the secret of advertising a successful article.—H. L. Kramer, Indiana Mineral Springs.

THEATRE FIRE IN LYNN.

LYNN, Mass., March 14—While a fire scene was being thrown on a screen by a moving picture machine in Coles Auditorium tonight, the machine caught fire, burning the operator and proprietor, George A. Cole, quite seriously, and sending the audience of 200 people down the stairs and out into the street panic stricken, but untouched by the flames. The fire was confined to the rear of the theatre, but two business firms on the street floor lost heavily from water.

SHE HAD INDIGESTION.

"I had indigestion and dyspepsia, the doctor said; but I only know that I almost suffered death, especially when at a delicate period my bowels were moved, and I had such pains in my back every morning I could hardly get out of bed. When I took Hirsch Tablets for two weeks as directed, I was a new person. These are facts, and my friends can say the same."

Written by a young lady living in Montreal, Que., whose cousin, living in Toronto, recommended them. Hirsch's cure for indigestion and pain after eating. It's a doctor for ten cents.

No man has more trouble in finding the right kind of patrons than the man who has money to loan. There are men to whom a loan is an inviolable obligation, with whom your money would be as safe as in a bank, and return a greater rate of interest. These kind of clients are worth advertising for.
