MR. HERMAN DYING OF STONE IN THE BLADDER Gin Pills Passed the Stone

DR. CHASE'S OINTMENT.

ONCE THE NUNNERY

Four years ago I was taken down with what the doctors called Inflammation of the Bladder—intense pains in the back and loins, great pain and difficulty in urinating. The pain was greatest in the region of the bladder, and the attacks which became more frequent, amounted to unbearable agony, and I became so weak that I could not walk across the floor. Docters could do nothing to help me. My wife read in the paper about Gin Pills and sent for a box.

"From the very first I felt that Gin Pills were doing me good. The pain was relieved at once, and the attacks were less frequent. In six weeks the Siene in the Bladder came away and the pain stopped entirely. I have had no return of the trouble and have not lost a day's work on account of it. I cannot express myself strong enough when I speak of what Gin Pills have cone for me. When I remember ho v I suffered, and how now I am healthy and well and strong and able to do a full day's work, I feel I should speak and tell other sufferers of my experience and of the wonderful merits of Gin Pills."

JOHN HERMAN.

"Was tired, worn out, depressed.

"Thought I wouldn't recover.

"Since using Ferrozone I have grown strong enough to attend myself to the family washing. I have seven children and a husband, and am doing all the housework myself. I still use Ferrozone and seem to gain better health all the time."
