### The far-famed Medicine.

HOLLOWAY'S PILLS.  
The following testimonial has been sent to Professor Holloway by a Gentleman named Middleton of Scotland Road, Liverpool.

Dear Sir—Your Pills have been the means, under Providence, of restoring me to good health after five years of severe affliction. During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with violent cough, and continual spitting of phlegm intermixed with blood. This I took my constitution that I was afflicted with any of the active duties of life. I was attended by some of the most eminent medical men of this town, but they failed to give me the slightest relief. As a last resource I tried your Pills, and in about three months they effected a perfect cure of the disease, totally eradicated the cough, and restored tone and vigour to the chest and digestive organs.

I am, Sir, your obedient servant,  
J. W. MIDDLETON.  
SCOTLAND ROAD, LIVERPOOL.

Dear Sir—In this district your Pills command a more extensive sale than any other proprietary medicine. For the public, as a proof of their efficacy in fever and Bilious complaint, I may mention the following case. A lady of this town with whom I am personally acquainted, for years was severely afflicted with the above disease, and digestive organs, her medical attendance assured her that she could do nothing to relieve her suffering, and she was attended by one of the most eminent Surgeons in this town, but obtained no relief whatever, and fearing that my health would be entirely broken up, I was induced to go into our County Hospital, where I had the best medical treatment the Institution afforded, all of which proved of no avail, and I came out no better than I went in. I was then advised to try your Pills, which, as I mentioned, were perfectly cured, and I was enabled to resume my occupation, and although a considerable period has elapsed since, I have not returned whatever of the complaint.

I am, Sir, your obedient servant,  
W. MOON.  
SCOTLAND ROAD, LIVERPOOL.

Dear Sir—I have much pleasure in informing you of a most surprising cure of Dropsy, recently effected by your valuable medicine. Captain Jackson of this place was afflicted with Dropsy for upwards of eighteen months, to such an extent that he could not walk, and his legs were much swollen, and water came out of his skin, so that a daily change of apparel became necessary, notwithstanding the various remedies tried, and the most eminent Physicians consulted, all was of no avail, until he commenced using your Pills, by which, and a strict attention to the proper directions, he was effectually cured, and has since perfectly established himself. If you desire this worthy of publicity, you are at liberty to use it.
