ST. JOHN, N. B., SATURDAY, FEB. 23.

RETRENCHMENT WANTED TOO. The time is approaching when the cresent members of the city council will to the people. They were have to render an acc a considerable struggle and, as a council, represented a certain definite policy. How they have carried out that policy, ion that the people will require

Some of the aldermen can say with all candor and truth that they have tried to act to the let er of that policy. We believe that, as a body, they have been more careful of civic expenditure than any council we have had for many years. But the people expected retrenchment as well "Retrenchment" was one of the principal watchwords of the T. R. ion : retrenchment, it was pointed cut by both old and new men was just as

tion of a minority report from the invest-igating committee will have much signifi-cance. The minority represent retrenchin effect that there is no opportunity to official certificate already referred to.

We believe with the great majority of the taxpayers that there are opportunities for retrenchment. There are more officials than are necessary. We do not say that salaries should be generally reduced. That by "Anxious Citizen" The writer must than are necessary. We do not say that salaries should be generally reduced. That would be a last resort, but the city has officials who can well be spared. Let the council look the matter squarely in the face, twn a deaf car to the friends of these themselves are the same allowed his imaginative brain to get control of his common sense, as the "desperadoes" referred to by him wars four of the face, twn a deaf car to the friends of these themselves are the same allowed his marriage. tern a deaf ear to the friends of these gestlemen, sink the sentimental part of the the storm of Sanday 10th, piled a large drift

Halifax has inaugurated a series of cussion of topics concerning womer, of which men and women are both invited that spoke, as well as an the working. One firmly in favor of wom in voting. One gentlemen, it is reported, zealously ex-kindness. The citizens of our town will be Anxious Citizan if he will tell nothing but the large number of men and women present some were not in favor of woman swifrage. If such there were, some of them should have spoken, and rendered the evening's work more interesting.

Anxious indeed it he tries to make ever thing as bad as he did this.

Petiteodiac, Feb. 18, '95. the evening's work more interesting.

There are no problems of more vital interest than those which have to do with the woman question, and the fullest and freest scope should be given it. The triendly controversy between Rev. R. F.

is a member, says that "Brother PARK-HURST undoubtedly has some fixed ideas on the subject that would serve to illuminate things and dispel all doubts." Probably

A Virginia paper suggests that the natal day of Lincoln be made a national holiday, and prints a long article in his praise. The world is growing broader and better, and every day brings us nearer the millenium. But it is possible that it would be a good many years before the birthday of LINCOLN would be as universally observed as that of WASHINGTON.

The following is an extract from a clergy-man's address on "The Bible" at Charwants address on the Bible at control to the Wesleyan. However well posted the reverend gentleman is on the poetry of the Bible, concerning the work of modern peets he appears to be a trifle confused—or perhaps the reporter was to blame: "No

DIXON and "Astra" which has waged in that is peculiar to the country. The poetry the columns of Progress furnish valuable contributions to the arguments on cartoons inimitable. The only parts of an able contributions to the arguments on both sides of the question.

As Mr. Larsen suggests in his Boston letter, Dr. Parkhurst was once a crank, but now he is the most 'Bokked up-to man in the States. He is the oracle whom all consult. The Progress club of New York is said to be rent with dissention on the question as to whether the poker limit should be fixed at ten cents or \$10. The Boston Herald, of whose staff Mr. Larsen is a member, says that "Brother Park".

A School House Caucus Shall school houses, the abode and the symbol of broadmindedness, be devoted to the narrow uses of partizan caucuses! things and disper an doubter the good doctor would mitigate strife by It appears that such has been the case.

There is only one school teacher in the city who wou'd do this.

A Country Churchyard A Country Churchyard

d A lot, inil of and memories dear,
So blesk, on this December day,
A sacred spot, where rest the dead
Of generations passed away—
Marking there the harald's trumpet biast—
Of summones the loudest and the last—
Of summones the loudest and the last—
Whis birsts pure in endices blies and light.
Whis tosars have sallen on this eacred plot,
O'er open graves, the end, the common lot,
How deep the silent sorrow there beheld,
And awful, bitter grief in sighs withheld,
As one by one the graves with earth were filled,
And grief, through faith and hope was gently stilled
Those who did weep and mours, whose hearts of

burn,
Have since been wept and mourned for in their tur
And so as times fell march we daily trace,
Continuous sadness fills thehallowed place.
