Granulation  
of the Eyelids

Is Cured by Dr. Chase's Ointment—Scores of Uses for the Great Soothing Healing Ointment.

Most people know Dr. Chase's Ointment best as a cure for eczema and itching piles. Nor is this to be wondered at when you think of the remarkable record made in this class of cures. But there are scores of other uses for this ointment, which are only discovered when it is kept constantly at hand.  
Mrs. Martin, 13 Carroll street, Toronto, formerly of Bowmanville, Ont., writes: "We have used Dr. Chase's Ointment for years, and found it invaluable in treating skin irritations and all sorts of burns and wounds. In fact, we would not be without it in the house. It is a most excellent treatment for granulated eyelids, from which I suffered, without finding anything to help me. Itching of the skin or a sore that refuses to heal you can get Dr. Chase's Ointment with full assurance that it will prove entirely satisfactory. 50 cents a box, all dealers, or Edmanston, Bates & Co., Limited, Toronto."

You had a sore  
place, and had to  
choose between  
two remedies, one  
of which went to  
the sore spot direct,  
and the other by a round-  
about way, and

might never get there at all, which would you prefer?

When you have a cold, asthma, a sore chest, catarrh, or any lung trouble, you can select between two remedies—Peps, which goes to the sore spot direct, and the other by a round-about way, and

Don't ruin your stomach in an attempt to heal your throat and lungs. Peps goes direct to the throat and lungs. Peps are tiny tablets containing certain medicinal ingredients, which when placed upon the tongue immediately turn into vapour, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter the capillaries and tiny air sacs in the lungs, thus soothing asthma, catarrh, bronchitis, colds, etc.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence their work of healing.

Once you try them you will never use any other remedy. Peps for colds, coughs, sore throat, catarrh, tightness across the chest, "that night cough," and all breathing and lung troubles.

Have you tried this famous remedy? If not cut out this article, write across it the name and date of this paper, and mail it (with 1c stamp to pay return postage) to Peps Co., Toronto.

A free trial packet will then be sent you. All drugs and stores sell Peps as 50c. box.
