

## BIG CANADIAN FISH DEALERS SUPPORT GOVT.

Connors Bros. Working Hard  
to Elect the Tyler Ticket  
in Charlotte—Says Pro-  
vince's Interests Safe in  
Hands of Government.

Special to The Standard.  
St. George, Feb. 16.—The govern-  
ment ticket in Charlotte county will  
have the whole-hearted support in the  
approaching elections of the members  
of Connors Bros., the largest canners  
and exporters of fish in Eastern Cana-  
da. No one can deny that this influ-  
ence will mean much for the ticket  
headed by the Hon. Dr. H. I. Taylor.  
Lewis Connors, the head of the well  
known firm, attended an organization  
meeting of the forces at Beaver Har-  
bor, and expressed in no uncertain  
terms his support of the present pro-  
vincial government. Mr. Connors, as  
well as his associates in the firm, are  
also completing the organization of  
the government party in Black's Har-  
bor, the headquarters of their big  
plants. They are co-operating with  
the other active members of the gov-  
ernment party there in seeing that  
the interests of the government ticket  
will be well looked after. It is a sign  
of the times to see such successful  
business men as Connors Bros. giving  
their support to the government  
ticket. They realize the great mea-  
sure of progress that New Brunswick  
has enjoyed under the government  
which has been in power since 1908  
and are willing to do everything in  
their power to advance the province's  
interests by returning this govern-  
ment to power.

**GLOUCESTER FROZEN IN.**  
For the first time in 30 years the

Tuesday being frozen from the break-  
water westerly to the direction of  
Doliver's Neck. Outside of the chan-  
nel made by the towboats and a few  
of the larger steamers of the gill net-  
ting fleet nothing else in the shape of  
vessels was able to get up to the city.
