DEMOMTS CHAPTER
I. O. D. E.

The Demomts Chapter I. O. D. E. held their meeting yesterday morning in the new room which they have taken in the Board of Trade Building. This room has been repaired and renovated by the Chapter and will be their meeting place for the winter.

The recent Mrs. F. E. Sayre presided, the chief subject of discussion was that which will occupy the minds of many of our patriotic societies—namely, of raising the necessary money to carry on the work. It was decided to give a bridge at the Cliff Club this month the funds from this to go to supply Christmas stockings for soldiers in overseas hospitals. An All-Isles entertainment in November is another project.

A number of socks, seventy or eighty pairs on hand were voted to the Canadian War Contingent Association to be sent to British soldiers. Another donation made was a number of pairs of socks, dressing gowns and pyjamas which are to be shipped to Miss Agnes Warner in France.

DUCK COVE RED CROSS

On Tuesday the last tea of the season was held at Duck Cove by the Red Cross Circle there. This circle has worked all summer, and the tea have been attended by the residents

Catarhal Deafness
May Be Overcome

If you have Catarhal Deafness or head noises go to your druggist and get 1 ounce of Earsol (double strength), and add to it 1-4 pint of hot water and 4 ounces of granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Any one who has Catarhal Deafness or head noises should give this prescription a trial.

Hair Often Ruined
By Careless Washing

If you want to keep your hair looking its best, be careful what you wash it with. Don't use prepared shampoos or anything else that contains too much alkali. This dries the scalp, makes the hair brittle, and ruins it. The best thing for steady use is just ordinary multiseed coconut oil (which is pure and greaseless), and is better than anything else you can use.

A Home Recipe For
Removing Wrinkles

As you know the modern woman who is young and active, and reasonably well placed as to her appearance, is not without wrinkles. Few women, however, are so foolish as to neglect their wrinkles or sagging. Most of the wrinkles are caused by the use of a wash lotion. The results are practically instantaneous. Marked improvement is noticed immediately after the very first trial. Wrinkles and sagging are corrected and the face feels so refreshed and invigorated.

of the Cove as well as many guests from St. John. The last tea was given by Mrs. Arthur Adams and Mrs. H. A. Powell. Mrs. William Hazen presided over the tea table.

Mrs. Adams, the president of the circle, and Mrs. Roy Church, the secretary, read the reports for the season, which showed a total amount of \$1000 garments completed with \$600 in money collected.

Plans were completed for a closing entertainment to take place on Tuesday at Mrs. Adams' residence—a bridge party and tea, the proceeds of which will go for Red Cross purposes. The lotteries for articles donated for the Duck Cove Fair were drawn for and won by the following: F. P. Starr, Union Jack; Mr. McIntyre, silk umbrella; Mrs. W. R. Anderson, silk umbrella; Mrs. Charles Ferguson, chafing dish; Percy Masters, barrel of flour; Miss Miller, silver cake plate; Andrew Jack, ladies' hand bag.

QUEER TRICK PLAYED
IN RECENT AIR RAID

One of the buildings wrecked in the recent enemy aeroplane raid on London was a branch office of a religious printing organization, which had its show window filled with illuminated mottoes for wall decoration. The shop and its window was completely wrecked, but one motto, planned to a pillar which remained standing, stood out in striking prominence over the heap of dust and debris. It bore this verse from Matthew:

"And ye shall hear of wars and rumors of wars: see that ye be not troubled, for all these things must come to pass, but the end is not yet."

FOOD VALUE
OF THE SALAD

Some people think that salads are an extravagance, time killers, and general nuisances. However, if the food value of salads is properly appreciated, their use will not be confined to company dinners and ladies' aid meetings.

In the first place, any salad dressing contains a considerable amount of fat. Usually, there is an accompaniment of herbs, as lettuce or water cress, that furnish valuable mineral constituents, as well as giving bulk.

For the materials for the main part of the dish, there are many to choose from. If the meal has been heavy, fruits, fruiting water and minerals, might well be chosen. If the rest of the meal is light, the more nutritious animal or vegetable foods may be used, as, meats, shell fish eggs, nuts, cheese or vegetables, either raw or cooked.

A salad is a many-sided dish, in that it usually includes some of all the food principles. There is contrast in texture, flavor and color. The appearance of a salad may be a decided stimulant to the appetite.

Also, salads are just as valuable for the man doing heavy work, as they are for his wife. Exchange.

HOPWELL HILL

Hopewell Hill, Sept. 1.—After a pleasant visit of two months at the home of W. L. Peck, Mrs. J. F. Parshley returned on Thursday to her home in Everett, Mass.

Rev. and Mrs. David Jenkins and daughter, who have spent a few weeks in Riverside at Mrs. Jenkins' former home, returned to Sydney, C. B., on Thursday's train.

Mrs. Clifford C. West was at home to her friends on Wednesday afternoon from three to five. Miss Ella Rogers was in attendance at the door, ushering the guests into the drawing room, where Mrs. West received, assisted by her mother, Mrs. Luther Archibald. In the dining room Miss Belle Lynds poured, while Miss Frances Rogers served dainty refreshments.

HAS AN ALIAS

In order to save his dog's life, Howard S. Lewis, of Hutchinson, made public announcement last week that he had changed the animal's name from Kaiser to Dennis. "I really was afraid someone would take a shot at him," Judge Lewis explained, "and besides the Kaiser's name's Dennis anyway."—Kansas City Star.

METHOD IN HIS MADNESS

Sandy (who is working up his better half for a small loan): Ye ken weel, Maggie, if you wis too dee, I should gang daft.

Sandy: No! na! I wouldna gang as daft as that.—Sketch.

IF FOOD DISAGREES
DRINK HOT WATER

When food lies like lead in the stomach and you have that uncomfortable, distended feeling, it is because of insufficient blood supply to the stomach, combined with acid and food fermentation. In such cases try the plan now followed in many hospitals and advised by many eminent physicians of taking a teaspoonful of pure bicarbonate of soda dissolved in a glass of water, as hot as you can comfortably drink it. The hot water draws the blood to the stomach and the bicarbonate neutralizes the acid in the stomach.

The immediate feeling of relief and comfort that always follows the restoration of the normal process of digestion. People who find it inconvenient at times to secure hot water and travelers who are frequently obliged to take hasty meals poorly prepared, should always take two or three five-grain tablets of Bismarck Magnesia after meals to prevent fermentation and neutralize the acid in their stomach.

HOPWELL HILL

Hopewell Hill, Sept. 1.—After a pleasant visit of two months at the home of W. L. Peck, Mrs. J. F. Parshley returned on Thursday to her home in Everett, Mass.

Rev. and Mrs. David Jenkins and daughter, who have spent a few weeks in Riverside at Mrs. Jenkins' former home, returned to Sydney, C. B., on Thursday's train.

Mrs. Clifford C. West was at home to her friends on Wednesday afternoon from three to five. Miss Ella Rogers was in attendance at the door, ushering the guests into the drawing room, where Mrs. West received, assisted by her mother, Mrs. Luther Archibald. In the dining room Miss Belle Lynds poured, while Miss Frances Rogers served dainty refreshments.

AMERICAN WOMEN
DEMAND BEAUTY
IN MOTOR CAR

"The demand for beauty in the automobile she drives or rides in has been one of the prime factors in the development of motor cars," says Harry M. Jewett, president of the Paige-Detroit Motor Car Company. "Our efforts to meet this demand have been one of the principal reasons for our own progress and explain to a large degree such measures of popularity we may have won."

The woman prospective buyer demands first, that her automobile shall be a beautiful car; second, that it shall be an easy-riding car; third, an easy car to control; and fourth, that the power flow shall be flexible.

"These simple phrases, which appear to be so easy to understand, represent to the trained automobile engineer a complex series of technical requirements. They have all been analyzed at the Paige factory and steps taken to meet them."

"For example, in the matter of easy-riding, the foundation of Paige reputation is the original Paige cantilever spring suspension, supplemented by seats and set springs designed to produce the maximum of comfort and which represent a development of several years' experience."

"The matter of ease of control is taken care of by providing a smoothly working clutch, easy gear shifting, smoothly-acting brakes and conveniently arranged controlling devices. The flexibility of power flow, which gives the car an ability to skim over the steep hills on high or to drop to a walking pace in stiff traffic was perhaps the hardest of the engineering problems and present achievements in this direction are the results of a concentrated effort of highly skilled technical men."

"The public now profits by these qualities that add so much to motor enjoyment, but they can have little realization of the labor entailed in realizing them. The good workmen on each year finds additional and ices. Sweet peas and asters were the decorations used."

Edward Freeze is visiting S. G. Morgan.

Dr. H. W. Murray, Shediac, is in Albert professionally this week.

Miss Ada Calhoun leaves on Monday morning to attend the Provincial Normal School, Fredericton.

Mrs. Theodore Goodwin, who has been spending some weeks with her parents, Mr. and Mrs. Judson W. Stevens, leaves on Monday for her home near Boston.

FIRST GOLDWYN
PICTURE SCREENED
IN ST. JOHN

Polity of The Circus Giving a Trade Showing at Imperial Theatre.

Yesterday morning a number of exhibitors and guests invited by Charles Horne, enjoyed a screening of the first Goldwyn production to be released in this city. Polity of The Circus, the picture is called, and it features Miss Marsh the "little sister" of the "Birth of a Nation". The story is interesting, from start to finish, showing much of the circus life from the parade to the night-topping and removal from the little town where the action is laid. The circus scenes necessitated the taking over of a real circus with all its employees from stakemen to side shows.

There is a perfectly fine horse race which drew applause from even blasé exhibitors. The love story is appealing and there are many novel touches introduced which mark the modernity of the production. The photography is excellent throughout. Miss Marsh is supported by Vernon Steele and Wellington Playter.

The showing was held through the courtesy of the Imperial management. The musical accompaniment—M. C. Ewing at the piano—added much to the enjoyment of the production.

STAR

The Bitter Truth. Perhaps "bitter" here means the same as "ugly" and that is the way truth appears to every woman when she does not want to face the truth.

The Bitter Truth is a William Fox Picture featuring Virginia Pearson and it is a picture which holds the attention all through. Miss Pearson looks handsome and wears many lovely costumes. Her acting is of the highest type in the rather unpleasant part she has to portray.

There is excitement and action during the unfolding of the plot, several "scrapes" a leap from a steamboat on the Hudson River, a plot against the reputation of a judge and other incidents, all of which go to make up a picture which greatly pleased the audience at the Star Theatre last evening.

The Pathe News Weekly was a good number showing the training of soldiers and pictures of re-conquered lands in France.

IMPERIAL

"Madcap Madge." The Triangle pictures are getting to be great favorites in this city. They have the virtue of variety that is evident from those who have seen.

Madcap Madge was greeted with laughter yesterday. The boarding school pranks of Olive Thomas and the picture certainly gives a good laugh. Palm Beach is the scene of most of the action as it is there that Madcap Madge continues her career (after the calf episode at the select boarding school) and finds a husband. The sub-titles are deliciously funny.

Another O. Henry story was shown yesterday, one with laughter and tears mingled as is the style of the famous short story writer.

Past. One at Rooney's shows how love came suddenly to two wanderers and how, though each was far from what they wished to be, love made things all right.

PROMINENT FILM
MAN COMING

It looks more than ever as if St. John was going to be the centre of all moving picture interest this week where the convention opened Saturday.

President W. H. Golding last evening received a wire from the American Exhibitors' Association, the new organization, asking if it would be possible to have their general manager, Chas. W. Pettibone, sit at the gathering of exhibitors and exchange men. There is really more in this request than the laity would be expected to know. At a recent national convention of American exhibitors in Chicago there was somewhat of a row and a section of western and southern exhibitors withdrew from the floor.

At a recent national convention of American exhibitors in Chicago there was somewhat of a row and a section of western and southern exhibitors withdrew from the floor.

creating a "bolt." The American Association is the result. As the coming Maritime convention is to be addressed by one of the chief supporters of the parent organization, it is just possible there may be some Yankee battles fought on alien soil. However, President Golding is "onto his job," as the saying goes, and has sent a very diplomatic reply, extending a hearty welcome to Mr. Pettibone, as to every interested film man, and suggests that the convention is purely a picture business during his visit here to the Maritime Provincial Exhibitors' convention, but up to this writing had not received a reply. However, it is anticipated Mr. Bush will assent.

YARMOUTH PICTURE THEATRE MANAGER
FORMERLY OF THIS CITY, TO LEARN THAT
EN ROUTE BACK HOME FROM ST. JOHN LAST
WEEK HE WAS STRICKEN WITH APPENDICITIS. UPON ARRIVAL IN YARMOUTH
HE WAS OPERATED UPON AND IS NOW PASSING
THROUGH THE CRITICAL STAGES "TWIXT
OPERATING TABLE AND RECOVERY. MR.
KELTY HAD PLANNED TO BE AT THE PICTURE
CONVENTION THIS WEEK AND HIS ABILE
ARGUMENTS WERE BEING "BANKED UPON"
BY THE EXHIBITORS.

KIERNAN KELTY
SUDDENLY ILL

It will be bad news for the many friends of Kiernan Kelty, the popular Yarmouth picture theatre manager and formerly of this city, to learn that en route back home from St. John last week he was stricken with appendicitis. Upon arrival in Yarmouth he was operated upon and is now passing through the critical stages "twixt operating table and recovery. Mr. Kelty had planned to be at the picture convention this week and his able arguments were being "banked upon" by the exhibitors.

LIUT. GOV. GANONG
ATTENDED FUNERAL OF
YOUNG WAR VETERAN

Representative of King Here for Funeral of Pte. Harold J. Duplisa—War Veterans Attended in a Body.

Lieut. Governor G. W. Ganong was in the city yesterday a guest at the Royal. The lieutenant-governor came to the city in his capacity as first citizen of the province to attend the funeral of the late Private Harold J. Duplisa, which took place yesterday afternoon. He remarked that he considered it proper that he should pay a tribute of respect to one who had done so much on behalf of the cause of liberty, justice and righteousness at the front.

The funeral of the deceased young soldier was largely attended. Members of the Great War Veterans' Association walked in a body.

After service at the late residence of Private Duplisa, Orange street, Fairville, the remains were taken to Enniskillen, Queens county for interment. Rev. P. R. Hayward conducted the service.

At a recent national convention of American exhibitors in Chicago there was somewhat of a row and a section of western and southern exhibitors withdrew from the floor.

MAY TALK TO
ROTARY CLUB

W. Stephen Bush, the eminent New York writer who has been one of the moulders of the motion picture industry since its inception, and is well-known as a writer and lecturer, may speak to the St. John Rotary Club at next Monday's luncheon. President H. L. Gantner wired Mr. Bush yesterday asking if he would favor the Club with some remarks upon the moving picture business during his visit here to the Maritime Provincial Exhibitors' convention, but up to this writing had not received a reply. However, it is anticipated Mr. Bush will assent.

Forcing a girl to confess she loves you by getting her in an air plane and threatening to fly higher and higher "clear to heaven," until she says the word, may strike one as taking an unfair advantage, but that's what a young American aviator does with a beautiful French girl near Paris.

This remarkable story of how Gerald Ackland won Miss Landeau is told in "For France," the greater Vitaphone blue ribbon feature. The cast includes Edward Earle, Betty Howe, Frank Andrews and Arthur Donaldson.

New York, Sept. 4.—The British steamer Ronoke, a vessel of 3,755 tons, owned by Furness, Withy and Company, Limited has been sunk. No details have been received. She plied between United States and British ports.
