THE above Pills having stood the test over forty years, and being prepared with great care and study, nothing cheap or impure being telerated in their composition, are perfectly safe to administer as the most delicate constitution. They never refuses the patient; no cessary. They never render any one mere liable to take cold, containing no dangerous drug, they act as kindly on the tender infant, the most delicate female, and infarm old age, as upon the most viscous and athletic system, exercising the most viscous and athletic fact of the most viscous and athletic fact of the most viscous and athletic system, surjournating the debilitated organs, building up the fanguage nervous energies; imparting vigor to body and mind, and bringing every faculty into healthy play.

To females, from the peculiar affections that strend them when they are arriving at insturity, and also at the decline or "change of life," they are the best remedy and assistant that can be used.
