PROVINCIAL LEGISLATURE.

Special Telegram to the Tribune,

HOUSE OF ASSEMBLY.

FREDERICTON, April 8.

Mr. Gough gave notice of a resolution in favor of the House meeting not later than February 1st. A bill to prevent St. John Board of Health expending more than $2000 without the consent of the Government was thrown out after being vigorously opposed by St. John members. The bill to wind up the affairs of the Caledonia Manufacturing Company was agreed to. Mr. Adams introduced a bill to enable the executors of J. McLaughlin to dispose of certain lands; Mr. Gough, a bill to amend the charter of the Chatham railway; and the Provincial Secretary, a bill to amend the law relating to export duty. Progress was made in Hon. Mr. Fraser's bill relating to rates and taxes.

To-day's Proceedings.

Mr. Cale, read the report of the Agricultural Committee recommending that $4000 be placed in the estimates by the Government to assist the Agricultural Society in the importation of Stock.

The Attorney General recommitted the School Bill, and an additional section was added providing that the Inspector may, in writing, require the Trustees to exempt persons residing over two miles from the school house, and having children between the ages of 5 and 20, from the district rates.

The Secretary recommitted his bill amending Cap. 53, Title 8, revise statutes, intituled "of rates and taxes," and after some discussion the bill was agreed to as far as the 14th section.

The House rose.

LEGISLATIVE COUNCIL.

Bills relating to Trinity Church of Sussex, to incorporate Moncton Skating Club, and Shemeld Cheese Manufacturing Company, and to authorize Victoria Hotel Company to issue preferred stock, were agreed to. Hon. Mr. Chandler presented a bill for allowment of dower to widows out of the estates of their deceased husbands.

To-Day's Proceedings.

The bill amending the law relating to levying, assessing and collecting rates and taxes in Fredericton was agreed to.

Real Estate Sales.

Mr. Hubbard sold at noon to-day, at Chubb's corner, a lot of land at Rothesay, belonging to the estate of the late Joshua Scribner, 120 × 80, to H. C. McMonagle, Esq., for $250. Also interest in the Scribner homestead property, purchased by W. T. Scribner for $260.

Town of Portland Elections.

The elections were held in the town yesterday. Everything passed off quietly, there being very little excitement.

In Ward 2 there was no opposition, and the Councillors for this Ward are John Wilson, Henry Hillyard and Alex. Duff, Esqrs. The two latter are new members.

Ward 3 also had no opposition, and James G. Jordan, James Harris and James I. Fellows, Esqrs., were declared the Councillors for next year. Messrs. Harris and Fellows are new men.

Ward 4 had five candidates nominated, and S. E. Stephens, A. N. Shaw and Shadrack Holly, Esqrs., were chosen to represent the Ward for the next year. Mr. Holly is the new member for the Ward.

In Ward 4 there were four nominated, and B. S. Gilbert, T. B. Robinson and Edwin Fisher were the people's choice. Messrs. Robinson and Gilbert are the new members, and no doubt will give a good account of themselves.

After the election was over the candidates addressed the electors.

A fine Estey organ, purchased of Landry & McCarthy, St. John, has been placed in the Kirk here. The instrument was used in public for the first time on Sabbath last; it adds greatly to the effectiveness of the choir of that church. Those who ought to know pronounced it a superior instrument.—*Carleton Sentinel.*

City Police Court.

The Court-room was used this morning as a polling place for the Mayor's election, as the court was held in the Chief of Police's room. Only two simple drunks were before the Judge, which were soon disposed of. James Ryan was found drunk in Water street, pleaded guilty and was fined $4. Eliza Norman was yesterday let out of gaol, but immediately sought the intoxicating bowl, and was found late last night in Smyth street. She plead hard for forgiveness this time, promising to take the pledge and go to the country, but the Judge could not trust her and sent her back to gaol for two months.

Portland Police Court.

Two cases occupied Judge Tapley's attention this morning. Robert Horton, a stranger, got drunk in Main street and assaulted and resisted the police. He paid $4 for the drunk and $8 for resistance, in all $12.

Angus Robinson drank too much and allowed his unruly member to use bad language to J. McJunkin in his house in Main street. For this departure from the right track he was fined $6.

Shipping Notes.

Schooner Bessie Black, hence, at Calibarien March 25th, with loss of part of deckload, and a man named Peter Barrow, aged 31 years, belonging to Canada, was washed overboard and drowned.

The schooner Brothers' Pride, of Annapolis, N. S., was fallen in with in lat. 35, lon. 54, abandoned; masts gone, decks swept, and seven feet of water in her hold.

The English infidel, Mr. Bradlaugh, at the conclusion of a recent lecture, called upon any person to reply to his argument. An English paper thus tells what resulted from the invitation: A collier rose and spoke somewhat as follows:—"Maister Bradlaugh, me and my mate Jim were both Methodys, till one of these infidel chaps cam' this way. Jim turned infidel, and used to badger me about attending prayer meetings; but one day in the pit a large coal cob came down upon Jim's head. Jim thought he was killed, and, ah, mon! but he did holler and cry to God." Then, turning to Mr. Bradlaugh with a knowing look, he said: "Young man, there's now't like cobs of coal for knocking infidelity out a man."

NEW YORK, April 7.

Gold 118¼; sight exchange 108.

Special police arrangements have been made to suppress the threatened disturbances by the striking gas men. It is believed that a sufficient number of new men have been detained to insure the lighting of the city to-night. The Internationale last night adopted resolutions of encouragement to the striking gas men. It is reported that the Brooklyn gas men will also strike for the eight hour system.

News from Cuba is favorable to the Insurgents. The report is confirmed that they have captured the fortified town of Manzanilla, where they obtained a large quantity of munitions of war.

Two of the Italians taken from Ward's Island to supply the places of men who left the works of the New York Gas Co. on Saturday, preferred death to that kind of industry, and drowned themselves, and others clamored to be returned to the Island to await less exhausting employment. Andrew Casey, striker, assaulted Robert Bloom as the latter was going home from the gas works last evening. Casey was promptly arrested.

The papers publish extended incidents and details of the Atlantic disaster, related by the steerage passengers just arrived here. There is a large crowd of spectators in the vicinity of Castle Garden this morning. Emil Christenson, from Schleswig, saw two men belonging to the Atlantic crew stealing jewelry and clothing from the bodies washed ashore. Harry Jones, an Englishman saw two survivors fighting for the possession of a pair of boots on a dead body. They finally decided by the toss of a penny which should have them. Two Swedes deliberately chose to die with their wives and children rather than leave them and swim ashore. Edwin Figgers, a Hampshire bricklayer, and 12 companions in the compartment with them, escaped by stripping off their clothes and squeezing themselves through a port hole.

THE FRUITS OF THE BETTER TERMS AGITATION.

$150,000 A YEAR FOR NEW BRUNSWICK.

THE ONTARIO AND QUEBEC DEBT TO BE ASSUMED.

OTTAWA, April 7.

The New Brunswick members have succeeded in getting the Government to agree to propose to Parliament to give New Brunswick one hundred and fifty thousand dollars a year—New Brunswick to give up the export duty.

The Government will assume the debt of Ontario and Quebec, thus settling the arbitration troubles, and give Nova Scotia and New Brunswick the same rates of increase of debt. This scheme will be accepted by the New Brunswick members and the Ontario and Quebec supporters of the Government.

The cerebro-spinal meningitis has appeared in Montreal, Ottawa and Toronto. Carrol, the Sable Island Light contractor, arrived here yesterday.

LONDON, April 7.

THE BRITISH BUDGET.

In the House of Commons this evening the budget was presented by the Chancellor of the Exchequer. The floors were well filled with members and privileged persons and the galleries were crowded with spectators. Mr. Lowe, on rising, was greeted with cheers. He proceeded to make his statement of the budget. The following are the principal items in the finances for the year ending March 31st, 1873:

Grants by Parliament £7,881,000;

Expenditures £70,714,000;

Estimated revenue £76,608,775;

Present debt £785,000,000;

Reduction of debt during the year £6,861,000;

Estimates for the year ending March 31st, 1874:

Expenditures £71,877,000;

Decrease from last year, notwithstanding the enhanced price of coal, etc., £10,000;

Revenue £76,617,700;

Balance at end of year close upon £12,000,000.

The Government proposed to pay half of the Geneva award out of the revenue of the present year; to reduce the tax on sugar fifty per cent.; and to take a penny in the pound off the income tax.

Several members criticized the budget, but it was approved *pro forma* and the House adjourned till the 21st inst.

THE FRENCH ASSEMBLY

FATAL RIOTS.

Freights.

LONDON, March 20th—The tonnage loading on the berth for India, China, and the Cape of Good Hope amounts to 42,143 tons, and for Australia and New Zealand to 45,068 tons.

Ships have been rather more plentiful, but none have steadily taken up. For some ports Coal Freights are a little easier, but the London Earth Freights continue firm.

West Indies—A good demand exists for Coal ships, at: Wales to St Thomas 18s 6d; Jamaica 19s 6d; Barbadoes 16s 6d; Havana 18s.

Brazils—Rates continue firm. London to Rio Janeiro £33 10s and coals. Wales to Rio Janeiro £33 10s till coals.

River Plate—From the coal ports ships are required at Wales to Montevideo 34s large ship, Buenos Ayres 37s 6d; Montevideo, small, 35s, option Buenos Ayres 38s, Rivers 35s.

United States—There are no order from Wales at present for new iron. From Bristol to Newport, R I, for orders, 20s in full scrap iron is offered for a small ship.

West Coast of America—Very little doing outwards, as coals cannot be shipped at a profit. Guano rates are reduced 2s 6d. San Francisco for first class vessel, 63s orders United Kingdom, 2s 6d off for Liverpool, in the current rate.

Timber Rates—Tonnage continues scarce from Quebec and the New Brunswick Ports, hence the few ships offering are immediately taking up at high rates. This applies specially to the out-ports where merchants have come to the conclusion that they must pay high rates to secure the tonnage required. London merchants are, on the contrary, still hoping for easier terms, and will not name more than 85s for dry deals Quebec to London, or 35s timber, and 90s dry deals, mixed cargoes.
