

Carpets and Curtains.

WE have a great, well-lighted Carpet Department, representing every worthy floor covering, and prices are the lowest of any store. The quality of our carpet trade has been growing as well as the volume. The newest designs are ready for buyers of the largest amount. They come to us direct from the makers abroad, and with such advantage that we can sell for three-quarters of what we would have to get if bought on this side. Bigness gives versatility and buying power. You reap the benefit of our extensive facilities in better goods than the average at lower prices than the average.

Another advantage is the absolute newness of the stock. It is not a rehash of last year's styles, however modern. Designs are new and choice in pleasing effects and artistic color combinations. The immense variety is partly comprehended by the fact that we show :

75 Styles in HEMPS; 50 Styles in UNIONS; 200 Styles in TAPESTRIES; 50 Styles in INGRAINS; 100 Styles in BRUSSELS; 20 Styles in WILTONS,

with room and light enough to display them to good advantage. The department has been reinforced by additional salespeople, and every condition insures prompt and efficient service in the making and laying. Carpets can be ordered now and held until wanted. Estimates furnished upon application for any quantity of floor coverings in every desired style.
