

# CLASSIFIEDS

The Rules: Classifieds are a free service offered by The Brunswickan to the staff and students of UNB and STU. Content: 30 words or less each of which should be inoffensive on its own, or in conjunction with others. Duration of publication: One week. Disclosure: Classifieds are not confidential. If you are ashamed to submit your name with your classified, then it's not for us. Please don't use someone else's name. We will check. (Names are not necessarily printed, but we like to have them for our own records. We're not that way.) When submitting a classified in person, bring your ID. Inclusion: Acceptance of a classified does not guarantee publication. There are many places to lose things in this office. Especially if that thing is your sanity. And finally: The Brunswickan reserves the right to refuse to publish any classified. Offensive classifieds have as much chance of getting published as the next issue of The Pillar has of being as good as it thinks it is.
