

Cawthra's Cousens causes Cooksville collapse

Cooksville managed to keep all Cawthra snipers off the scoresheet except one and the result was a 2-1 setback in a Mississauga Hockey League minor atom AAA encounter.

That one deadly sniper was Garry Cousens, the only Cawthra player to break through the enemy lines for clear shots at Cooksville goaltender Mike Taylor.

Taylor successfully turned aside all other threats.

Scott Mossip was instrumental in setting up both of Cousens' tallies.

Steven Robinson retaliated for Cooksville.

Real Estate

By MURRAY BOSLEY REALTOR

DON'T KNOCK COMPROMISE

Looking for a new house? Then probably what you desire and the going price for such a dream house are mutually exclusive. There is no perfect house, and very few families can afford everything they want. This means compromise.

You might have to trade off certain desirable features to get a house with other more important ones. For example, you may find yourself giving up a short commuting distance to get a house with more land or vice versa. You could give up a family room, say, for a second bath—then add the family room you really want later on, when you can better afford it.

Make a list of your top priorities, such as location, schools, number of bedrooms. This will do double duty. It will steer you to the house that comes closest to what you want now, and one that will also satisfy your probable future needs.

If there is anything we can do to help you in the field of real estate, please phone or drop in at our nearest office. We're here to help!
