

So, if the Executive Department
 does not approve of it,
 or may further advise me
 what steps to take - I shall
 be glad - So therefore will
 you be good enough to let
 me know if the permission
 of the localities is enough
 protection due if I open this
 Gravel Pit: and take it - my
 family Church yard for the
 use of making a Commons
Foundation for the memorial
 stone of my youngest son
 Arnold Logan 6139 who was
 killed in action all alone
 operating his heavy machine
 gun in order to save the
 friend being over powered
 and single handed saved
 his machine gun so it never
 fell ⁱⁿ to the hands of the enemy
