

law is Colonel D. R.  
Cameron C.M.G. now  
stationed at Sheerness.  
I have written to the  
Duke on this subject.  
If I have made a  
mistake you would I  
think do well to see  
either Gen. Byrnhill or  
Sir Whitmore at the  
Army Guards & ask one  
of them to correct the  
error.

I hope my intercession  
may be of use, but I  
cannot tell what official  
action may be raised.

In any case I am  
glad to have tried.

Pray give our kindest  
regards to Lady Tupper  
and accept my best  
wishes & thanks for  
your kindness to me  
while you were at  
Ottawa.

I am  
Dear Sir Charles Tupper  
Yours sincerely  
Lambton
