Sir,

I have to acknowledge the receipt of your letter of the 9th ultimo requesting that a reduction of interest may be made upon your purchase of lot No 4 Con. C, Quabek.

I have to inform you in reply that after the return of the Superintendent General of Indian Affairs from the Saugeen Peninsula (where he is at present), the subject of the payment of the balances due upon Saugeen Indian Land Sales generally will probably be taken into consideration.

You will be advised of the result of the decision arrived at in this

William White Esq

matter
