Ottawa, March 27, 1920.

Right Reverend Sir,-

I have to acknowledge the receipt of a requisition for supplies for the Waswanipi School, and in reply I beg to say that the slate pencils, lead pencils, erasers, drawing books, scribblers, pencils, rulers, crayons, and copy of Hints on Drawing will be ordered from the Government Stationery Office, to be forwarded to the teacher's address, c/o The Hudson's Bay Company, Nottaway, Que.

The monthly return and requisition for school material forms and the flag will be sent from the Department to the teacher's address also.

A football and one extra bladder will be purchased here and forwarded to the teacher's address.

I have to ask Your Lordship to be good enough to purchase for this school eighteen slates, two dozen boxes of Lifebuoy soap, twelve yards of towelling, three hand wash basins, two cheap locking aluminium combs and ten yards of wire mosquito netting, and have these supplies forwarded to the teacher. In making the purchase kindly obtain prices from different sources and the lowest prices. You will be good enough to forward checked accounts, in duplicate, certified by Your Lordship, showing the expenditure incurred, and attached to the accounts. Your Lordship should give a statement of the prices and quote prices and the different items and certify with the prices they gave. I may say that this information is required by the War Purchasing Commission before accounts can be paid.

I have the honour to be, Sir, your obedient servant,

Right Rev. John G. Anderson,  
Bishop of Moosonee,  
Cochran, Ont.

Wm. J. ...  
Asst. Secy. of the Dept.
