HON. E. H. ARMSTRONG,

CLOSING SPEECH

Of the debate upon the Financial Condition, &c., of the Province at the last session of the Legislature was delivered by Hon. E. H. Armstrong, Commissioner of Public Works and Mines. He followed Mr. C. E. Tanner, leader of the Opposition, and his reply was an effective answer to the carrying criticism of the Opposition, and a masterly review of the present Government's administration of the affairs of the Province. The various provincial issues are fully discussed in this speech, and it should be carefully read by all who wish to become familiar with them.
