## VICTORIA HOUSE.

(RUE SOUS-LE-FORT—QUEBEC.)  
GEORGE ARNOLD, PROPRIETOR,  
IS now open for the reception of visitors The situation and accommodation of the premises combine advantages unequalled by any similar establishment in Quebec, and unsurpassed in the Canada. The arrangements have been made under the immediate superintendance of the proprietor, and as the business will be conducted by him—if personally, every attention will be ensured to those who may favour him with their visits. To those gentlemen in particular who are connected with the business of the port, the situation of the premises, in the direct vicinity of the Steam-Blast Wharves, and Custom House, offers great advantages; and to the public in general, the arrangements of the establishment are such as to present every convenience. On the ground floor are an extensive Saloon and Reading Room. On the first floor are two spacious rooms, which by means of folding doors between, may, whenever required, be converted into one magnificent apartment of 70 feet by 32 feet, and 15 feet high; a dimension which renders it a most eligible place for meetings, &c. The numerous apartments contained in the three upper stories are fitted up for the accommodation of families and individuals. A spacious gallery on the roof commands a splendid view of the harbour of Quebec and the surrounding country. The Wines and other liquors of the establishment will be of the first order; refreshments of all kinds may be had throughout the day; and it will be the study of the proprietor in providing for his guests to combine moderate charges, and superior accommodation.  
GEO. ARNOLD.  
Quebec, 23d June, 1838.

NOTE.—Lumber Merchants and others connected with that branch of commerce, will meet with every accommodation and attention, at the above establishment, the proprietor having for many years past had an extensive acquaintance with parties in that line, from the Upper Province and the United States.

## MORISON'S UNIVERSAL MEDICINE.

NOTICE.  
THE Subscribers, general agents for Morison's Pills, have appointed William Whittaker, Sub-Agent for the Upper Town, No. 27, St. John Street.

LEGGE & CO.  
That the public may be able to form some idea of Morison's Pills by their great consumption, the following calculation was made by Mr. Wing, Clerk to the Stamp Office, Somerset House, in a period of six years, part only of the time that Morison's Pills have been before the public; the number of stamps delivered for that medicine amounted to three millions, nine hundred and on that point.

The object in placing the foregoing powerful argument in favour of Mr. Morison's system, and to which the public attention is directed, namely, that it was only by trying an innocuous purgative medicine to such an extent that the truth of the Hyegeian system could possibly have been established. It is clear that all the medical men in England, or the world, put together, have not tried a system of vegetable-purgation to the extent and in manner prescribed by the Hygeists. How, therefore, can they (much less individually) know any thing about the extent of its properties.

## BALDNESS.

A BEAUTIFUL HEAD OF HAIR is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and preternaturally brings on the appearance of old age, which causes many to recede at being unwedged, and sometimes even shun society to avoid the jeers and sneers of their acquaintances; the remainder of their lives consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth, with that heavy sinking gloom as does the loss of his hair.—To avert all these unpleasant circumstances, OLDDRIDGE'S BALM OF COLUMBIA stops the hair from falling out on the first application and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Olddridge's Balm are shown by the proprietors.

Read the following:  
ROBERT WHARTON, Esquire, late Mayor of Philadelphia, has certified, as may be seen below, to the high character of the following gentleman:  
The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Olddridge, and have found it highly serviceable not only as a preventative against the falling out of hair, but also a certain restorative.

JOHN S. FERRY, 101 Spruce st.  
HUGH McCURRY, 243 South 7th st.  
JOHN GARD, Jr., 123 Arch st.

It will certainly raise its virtues in the estimation of the public, when it is known that three of the above signers are more than 50 years of age, and the others not less than 30.

From the Mayor,  
Commonwealth of Pennsylvania,  
City of Philadelphia.  
I, ROBERT WHARTON, Mayor of said city of Philadelphia, do hereby certify that I am well acquainted with Messrs. J. P. English, John S. Ferry, and Hugh McCurry, whose names are signed to the above certificate, that they are gentlemen of character and respectability, and as such, full credit should be given to the said certificate.

In witness whereof I have hereunto set my hand, and caused the seal of the city to be affixed, this sixth day of December, &c.  
(L. S.) ROBERT WHARTON, Mayor.

CAUTION.—Observe that each bottle of the genuine Balm has a splendid engraved wrapper, on which is represented the Falls of Niagara, the agent's name, &c.

## PILES, &c.

HÆMORRHOIDS—NO CURE NO PAY!  
Price \$1—Hays Liment—No Fiction.

THIS extraordinary chemical composition, the result of science and the invention of a celebrated medical man, the introduction of which to the public was invented with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.  
It is now used in the principal hospitals and the private practice in our country, first and most certainly for the cure of the Piles, and also extensively and effectually as a baffle credulity, unless where its effects are witnessed externally in the following complaints:—  
For Dropsy—Creating extraordinary absorption at once.  
All Swellings—Reducing them in a few hours.  
Rheumatism—Acute or Chronic, giving quick ease.  
Sore Throat—By cankers, ulcers, or colds.  
Croup and Whooping Cough—Externally, and over the chest.  
All Bruises, Sprains and Burns—Curing in a few hours.  
Sores and Ulcers—Whether fresh or long standing, and fever sores.  
Its operations upon adults and children in reducing rheumatic swellings, and loosening coughs, and tightness of the chest by relaxation of the parts has been surprising beyond conception. The common remark of those who have used it in the Piles, is "it acts like a charm."

THE PILES.—The price \$1 is refunded to any one who will use a bottle of Hays' Liment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the Agents, and out of the many thousands sold, not one has been unsuccessful.  
We might insert certificates to any length, but prefer that those who sell the article should exhibit the original to purchasers.  
CAUTION—None can be genuine without a splendid engraved wrapper, on which is my name, and also that of the Agents.

HEADACHE.  
DR. E. SPOHN, a German physician of much note, having devoted his attention for some years to the cure and removal of the causes of NERVOUS AND SICK HEADACHE, has the satisfaction to make known, that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint. There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and labouring under distress which they might not only alleviate, but actually eradicate by the use of his remedy. It is the result of scientific research, and is entirely of a different character from advertised patent medicine, and is not unpleasant to the taste. To be had of

PILES, DROPSY, SWELLINGS, ALL SORES, RHEUMATISM. It is absolutely asserted as the most positive proof of the above complaints are arrested and cured by the timely use of Hays' Liment. It is impossible to find room in this paper to present those proofs which are conclusive and convincing. They may be seen at length as below. The true article has a splendid engraved wrapper with agents' and proprietor's name and may be had of
