**H.EMORRHOIDS—NO CURE NO PAY!**  
 Price \$1—Hay's Liniment—No Fiction.

THIS extraordinary chemical composition,  
 the result of science and the invention of  
 a celebrated medical man, the introduction of  
 which to the public was invented with the  
 solemnity of a death-bed bequest, has since  
 gained a reputation unparalleled, fully sustain-  
 ing the correctness of the lamented Dr. Gid-  
 dley's last confession, that "he dared not die  
 without giving to posterity the benefit of his  
 knowledge on this subject," and he therefore  
 bequeathed to his friend and attendant, Sol-  
 lemond Hays, the secret of his discovery.

It is now used in the principal hospitals and  
 the private practice in our country, first and  
 most certainly for the cure of the Piles, and  
 also so extensively and effectually as to be  
 credited, unless where its effects are witness-  
 ed externally in the following complaints:—  
 For Dropsy—Creating extraordinary absorp-  
 tion at once.

All Swellings—Reducing them in a few  
 hours.  
 Rheumatism—Acute or Chronic, giving  
 quick ease.  
 Sore Throat—By cancers, ulcers or colds.  
 Croup and Whooping Cough—Externally,  
 and over the chest.  
 All Bruises, Sprains and Burns—Curing in  
 a few hours.  
 Sores and Ulcers—Whether fresh or long  
 standing, and fever sores.

Its operations upon adults and children in  
 reducing rheumatic swellings, and loosening  
 coughs, and tightness of the chest by relaxa-  
 tion of the parts has been surprising beyond  
 conception. The common remark of those  
 who have used it in the Piles, is "it acts like  
 a charm."

THE PILES.—The price \$1 is refunded  
 to any one who will use a bottle of Hay's  
 Liniment for the Piles, and return the empty  
 bottle without being cured. These are the  
 positive orders of the proprietor to the Agents,  
 and out of the many thousands sold, not one  
 has been unsuccessful.

CAUTION—None can be genuine without  
 a splendid engraved wrapper, on which is my  
 name, and also that of the Agents.

**PILES, DROPSY, SWELLINGS, ALL**  
**SORES, RHEUMATISM.** It is abso-  
 lutely asserted on the most positive proof that  
 the above complaints are arrested and cured  
 by the timely use of Hay's Liniment. It is  
 impossible to find room in this paper to present  
 those proofs which are conclusive and convinc-  
 ing. They may be seen at length as below.

**CALEDONIA SPRINGS.**

**TESTIMONIALS.**  
 I HEREBY certify, that I have been acquainted  
 with the medicinal virtues of the Caledonia  
 Springs, for the last ten or twelve years, during  
 which period I have known numerous instances of  
 the efficacy of those waters in various kinds of  
 disease. In particular, the most obstinate cases of  
 dyspepsia have been radically cured by the use of  
 the waters; of which my own individual case is  
 a striking example; and I have not known a single  
 case of failure in this particular.  
 These Springs also possess powers of the highest  
 order, in renovating impaired constitutions, and  
 restoring the tone of the system where it has been  
 deranged by warm climates, improper diet, or any  
 other injurious cause.  
**DAVID PATTIE,**  
 Judge of the Surrogate Court,  
 District of Ottawa.  
 West Hawkesbury, U. C.  
 August 11th, 1836.

It is with the greatest pleasure that I can testify to  
 the inestimable qualities of the Caledonia Springs,  
 at which place I arrived on the 1st of August 1837,  
 completely crippled with the Rheumatism and suffer-  
 ing for several weeks previous to my leaving  
 Montreal the most acute pains and prostration of  
 strength. I have used the waters freely, both by  
 drinking and showering for fifteen days, and the  
 result has been satisfactory in the highest degree.  
 I therefore recommend them to suffering humani-  
 ty, as being in my humble opinion, (from what I  
 have seen and experienced) the most valuable me-  
 dicinal waters in America; and I have only to say  
 my regret, that they are not known to thousands of  
 invalids, who by visiting the waters, or partaking  
 of them, might be restored to health as I have  
 been.

TO PROPRIETORS AND LESSEES OF  
**S. W. WOODS.**

THE Subscribers respectfully inform the  
 gentlemen connected with Saw-Mills,  
 that in the fall of the last year they received  
 a very large assortment of

**MILL SAWS,**  
 4, 5, 6, and 7 feet,  
 MANUFACTURED OF  
**THE BEST REFINED CAST STEEL.**

Having been at considerable pains to obtain  
 a good article, they are gratified in being able  
 to state that success has followed their endeav-  
 ours; to support which assertion, reference  
 can be had to several establishments in Lower  
 Canada, or to the fact, that of SOME HUN-  
 DREDS of their SAWS, that were in use  
 during the last summer, NOT ONE HAS BEEN  
 RETURNED, although the parties were at liberty  
 to do so if they had proved bad.  
 Orders punctually executed, and forwarded to  
 any part of British North America.

ES J. S. & Co. would remark that all their  
 Saws are marked thus—*J. Shaw & Co. Quebec*—  
 warranted cast steel; and if any of them should  
 be found bad, on their being returned, others will  
 be given in lieu thereof.

**HEADACHE.**

**DR. E. SPOHN,** a German physician of  
 much note, having devoted his attention  
 for some years to the cure and removal of the  
 causes of **NERVOUS AND SICK HEAD-  
 ACHE,** has the satisfaction to make known,  
 that he has a remedy which by removing the  
 causes cures effectually and permanently this  
 distressing complaint. There are many fami-  
 lies who have considered Sick Headache a  
 constitutional incurable family complaint. Dr.  
 S. assures them that they are mistaken, and  
 labouring under distress which they might not  
 only alleviate, but actually eradicate by the use  
 of his remedy. It is the result of scientific  
 research, and is entirely of a different charac-  
 ter from advertised patent medicine, and is not  
 unpleasant to the taste. To be had of
