London District Meeting.

DEAR BROTHER DEWART,—You will be glad to learn that your old district of last year—the London district-at the annual meeting of its members, at St. Marys, on the 18th and 19th inst., showed an increase of 159 members for the year. All the Circuits, with a few exceptions, returned larger sums for the Missionary Fund—and higher figures will, I think, be the totals of all our connexional collections.

The brethren present were in the enjoyment of good health, thankful to God for past mercies, and prayerful for greater devotedness to Him and to his Church.

The Toronto District Meeting.

The anual meeting of the Toronto District was held in Brampton on the 12th and 13th inst., the Rev. W. Morley Punshon in the chair, and the Rev. J. Bredin, secretary. All the ministers and preachers on the District (except three, detained at home by affliction) and a large representation of laymen, were present. The usual routine business was observed, and the reports from the several Circuits, financial and spiritual, were of a very encouraging character. There is a slight increase in the membership on the District; while, in the matters of church-building and parsonage-furnishing, large and cheering progress has been made. The connexional funds, it is anticipated, will be largely in excess of last tree. The connexional cheering progress has been made. The connexional funds, it is anticipated, will be largely in excess of last tree. last year. Lay representatives to the Missionary, Contingent, and Church-Relief Fund Committees were elected; and the Revs. W. McFadden, A. Sutherland, and C. Fish, were respectively made representatives to the Sationing, Sabbath-School, and Church-Relief Committees. Only two candidates for the ministry—one of them a promising young man from the Primitive Methodist Conference—were recommended to be received on trial. A spirit of harmony and brotherly kindness pervaded all the sessions of the District Meeting.

Ottawa District.

Mr. Editor,-The May meeting of the Ottawa District has just been held. The state of the District is healthy and prosperous under the management of our respected brother, as you will see by

the following resolution passed by the meeting:

Moved by Bro. D. Chalmers, and seconded by Bro. C. Taggart, "That, in view of the contemplated removal of our beloved Chairman, Rev. E. B. Harper, M.A., from the District, the members of the District Meeting would take this opportunity of expressing their high appreciation of the business ability uniformly manifested by him in his official capacity, and the brotherly kindness and urbanity which has characterized his intercourse with his brethren; and while submitting to the Conference law, cannot help feeling regret at the prospect of separation, and that if called upon to part would earnestly pray that that it called upon to part would earnessly pray that the Divine presence and blessing may accompany him to his new field of labour, and that a copy of this resolution be inserted in the Christian Guardian. GEO. H. KENNY, District Secretary.

Marmora Mission.

DEAR SIR,—This mission, which has been the arena of many of the hardships and heroic labors of some of the many worthies of Canadian Methodism, has enjoyed a good degree of prosperity during the last Sunday, May 29, at 11 a.m., S. S. Nelles, D.D. three years. During that time, Methodism (which here has had in former years a great many drawbacks, and in latter years a great deal to contend with,) has advanced to the front of the King's army. Progress is visible in all the departments of the church. When the Rev. A. Doxsee, our beloved pastor came here, scarcely could he get a place to shelter himself and family: but by the blessing of God, the exertions of Brother Doxsee, and the almost united effort of the people, a commodions parsonage has been erected, so that we now enjoy the pleasure of knowing that our ministers, at their introduction among us, shall not be tormented with the anxious thought, how, or where shall I get a dwelling place for my family. The spiritual building has been raising steadily: but the blessing of God rested upon.us in a very gracious manner during the past year, in the conversion of over fifty souls, and the building up of believers.

In conclusion, permit me to say in behalf of the Quarterly Board, and the entire mission, that if the Conference rules will allow, we will be heartily glad to receive both our ministers, Brother Doxsee, and Brother Ryan, for another year. But in the mean time we do most sincerely regret their expected removal. Praying that the blessing of God may attend them, and commending them to the loving regards of those among was regards of those among was ruly, another year. Yours truly, Recording Steward. regards of those among whom their lot may be cast

Weston Circuit.

DEAR BRO. DEWART, -The ecclesiastical year having nearly closed, it may not be amiss to give your readers some facts in reference to this field of labor. We are glad to be able to report progress. The people have more than maintained their reputation for kindness and liberality in these qualities: they are surpassed by none on the District.

Through the praiseworthy efforts of my predecessor, Rev. N. F. English, I found the walls of a new brick Church partly up at Coupon's appointment (now Claremont.) It was dedicated on the 31st of October. The President very kindly came to our aid, and preached a most masterly and profitable sermon on "Our sufficiency is of God." In the afternoon, Rev. A. Sutherland reminded us of the blessedness of the people who know the joyful sound In the evening Rev. J. Bredin delighted us with a walk about Zion Collections during the day were \$114,50. The tea meeting the following evening was very successful

It will not be deemed invidious for me to say that we feel deeply indepted to James Duncan, Esq., for the interest which he has taken in the erection of the church, in addition to the large amount subscribed by pself and family. The building, including a shed and costing \$2,500 is nearly pa of for.

Special services have been held, and a large class formed. Our western friends have decided to alter and increase their pew accommodation. At Burwick, on Sabbath evenings, it is sometimes

impossible to seat all the people who attend. The minister has been paid in full without any complaining, and without the questionable aid of teas, socials, &c. We "thank God and take

COATICORE.—A cordial and affectionate address was adopted at the last Quarterly Meeting of the Coaticoke Circuit to Rev. J. E. Richardson, expressing regret at his removal, high appreciation of his fidelity, and kind wishes for his future prosperity.

Hunter to leave the circuit without expressing their high appreciation of his services, during the three years he has so ably and efficiently filled the appoint-

SHARON AND MOUNT ALBERT .- At the May Quarterly Meeting on this Mission, as the Rev. C. Hamilton's three years of pastoral labor are closing, a resolution | Wesleyan Mission Rooms, was unanimously adopted expressing gratitude for

the increase of the membership, and general spiritual prosperity of the Mission during his pastorate. The resolution also expressed thankfulness for Mr. Hamilton's appointment and regret at his departure. Carrea .- At the May Quarterly Meeting of the of financial and spiritual prosperity granted to the mission during the year. Ninety members have been added to the church during the year. This result is mainly due to the faithful labors of Rev. W.

Savage, who is cordially invited back next year. Norwood Circuit, a cordial resolution was adopted, expressing gratitude for the spiritual prosperity witnessed on that Circuit during the year, under the labors of the Rev. W. M. Pattyson, and sympathy with Mr. Pattyson in his affliction. An extensive revival of religion has visited that Circuit, but we regret to learn that Bro. Pattyson has suffered much from disease of the eyes.

NEWBURGH .- The Official Board of the Newburgh Circuit, at its last meeting adopted a cordial and unanimous resolution, recording their regret at the rospective removal of the Rev. James Gray, and their high appreciation of his courteous admonitions, and faithful, independent, and manly utterances of truth, both in the pulpit and on the platform, during the three years of his pastorate at Newburgh. Bro. year, and welcoming him back, if the Con should appoint him, was also adopted on the same occasion.

BOOKS AT THE BOOK ROOM. HOW THEY SELL, &C.,

REPORTED (WEEKLY) BY THE SHOP BOY.

Among other improvements recently made at the Book Room, by the Book Steward, are two Book Stands, or Tables, which have been prepared (with an eye to business) for the purpose of exhibiting samples of new books, and books generally. The shelves are so arranged that the titles of the books can be read, with half an eye, on four different elevations; and a thousand or more attractive volumes are thus placed at the finger ends of customers.

Stems and Twigs; or, Sermon Framework, is the title of a new volume which contains the notes and plans of two hundred sermons. As a suggestive work it is exceedingly valuable. Slightly tinged with Calvinsm, yet, on the whole, excellent. Those who have the ability to separate the wheat from the chaff will find it a great help. Mostly wheat, however, 12mo.

This Library is based upon a similar series of works now in course of issue in France, the popularity of which may be inferred from the fact that over one million copies have been sold! Occasionally notable passages in history and remarkable adventures are described. The different volumes are profusely illustrated with engravings, designed by the most skilful artists, and executed in the most careful manner. These volumes are admirable for the family library, for prizes in schools, and are not objectionable for Sunday-schools. Familiar Talks on Themes of General Christian Experience. By Rev. Henry Ward Beecher. The subject-matter of this book was delivered in Mr. Beecher's week-night prayer meetings. The "Talks" are not only colloquial and familiar, but they carry in them much more of the personality of the speaker than is usual in such remarks. In fact they are given as only Mr. Beecher can give them. It is gratifying to know that other churches besides our own are beginning to know the value of meetings for personal experience. They are a source of great power for good in the church, and it is difficult to understand how any church can prosper without

them. The contents of this admirable book are :-Parting Words; Experience Abroad; Communion Seasons; Personal Experience; Moral Husbandry; Fervency of Religious Feeling; Groping after God; Praying for Others; Answers to Prayer; Duty of Conversing with Impenitent Sinners; The Unwritten Words and Deeds of Christ; Praise and Prayer; Revivals of Religion; Love to Enemies; The Dying Hour; The True Christian Soldier; Trust in God; True Way of representing the Christian Life; The Universal Brotherhood of Christians; Methods of Conversion; Christian Joyfulness; The Reason for Afflictions; Relations of Feeling to Duty; The Christian's Hope; Religious Conversation; Growth in Grace; Experimental Religion; Making Religion attractive to Children; Realization of Christ's Presence; Assurance of Salvation; Heaven; Church Pride; A High Christian State; Commercial Honor; The Fullness of Christ's Love; Working for others; Nature and Blessings of a Christian Life; Back again; Your Father knoweth; Nearness to God Difficulties of Prayer; The Brooding Love of Christ Conceit of Christians; Consolation in Trouble Personal Duty in Religion; Helpful Aspects of Christ; A Look at the Past Year; Joy in Christ. 12mo. cloth, bevelled boards, 397 pages. REV. W. HARRISON. Dear Sir:—For the sake of the vast numbers of people who are suffering "and dying with that dire scourge of our land, Consumption (trusting they may be induced, by reading these lines to partake of your great remedies and "be healed,") offer this testimonial as to the extraordinary merits. of your medicines :

For many years I was troubled with Catarrh, which finally culminated in a settled cough. My lungs had several spells of profuse bleeding, and soon became PRESSES, and also one of FORSAITH'S STEAM very badly diseased. I faithfully used one kind after PRESSES, and also one of FORSAITH'S STEAM FOLDING MACHINES, have been added, which greatly enhance the facilities, and enable this Establishment to add considerably to its large and increasing Business.

Very badly diseased. I faithfully used one kind after another of various advertized uostrums, and at different times took treatment from some of the best physicians in our section, but instead of receiving any permanent benefit I continued to grow worse, and was evidently sinking into a helpless decline. I suffered greatly from night-sweats, extreme nervousness, piercing pains in the lungs, canker sore throat, coldness of the feet and hands disordered and morbid condition

of the feet and hands, disordered and morbid condition of the stomach and bowels, and excessive weakness.

I expectorated terribly. The last stage of consumption was apparently reached. With but little hope (or life) remaining, I commenced using your remedies, March 1st, and by the 15th of the following June I took the last dose of the seventh package, and had then become a well man. This was two years ago, and since then I have worked steadily on a farm, all the time in good health. My age is 62, and my present weight 150 pounds.

Very gratefully yours, LOT CARLISLE.

Holly, Oakland Co., Mich., Jan. 10, 1868. DR. R. E. SUTTON & Co. Gentlemen :- I wish to express my sincere thanks to you for the great benefit Rev. Mr. Harrison's Consumptive Remedy has done for me. In the spring of 1867 I took a severe cold; I doctored for it, but to no effect; my case became more and more dangerous, attended with a severe cough, copious expectoration, and dreadful night-sweats. I became much emaciated; the best physicians of our place were in attendance, but they soon despaired of my recovery and stopped prescribing for me. They pronounced my complaint quick consumption, and said I could live but a short time. At this critical period a friend from the State of New York came to visit me, and as he had been in a like situation, he could speak from experience. He recommended your invaluable Remedy; it was soon procured, and I am happy to say before one package was taken, I felt its beneficial effects and by the time I had taken four packages I felt positive I was a well man. I desire this statement to go before the public in order that all those who are similarly afflicted may be re-
