

cent. is lead, and the balance of the value in silver. The mine is said to be paying a handsome profit, and, with 16,000 tons of ore in sight, should continue to do so. A five-drill compressor has been installed, and is in active operation.

* * *

The cross-cut at 400 feet depth to seek the main vein of the Iron Mask at that level has been completed, and the ledge has been found to be 10 feet wide with satisfactory values. This practically proves the continuity of the vein and promises a large ore reserve.
