

An Authorized Trustee Investment

The Debentures issued by this Corporation are a security in which Executors and Trustees are authorized to invest Trust Funds. They are issued in sums of one hundred dollars and upwards as may be desired by the investor, and for terms of one or more years.

Interest at a special rate is computed from the date on which the money is received and is payable half-yearly.

They have long been a favorite investment of Benovolent and Fraternal Institutions, and of British and Canadian Fire and Life

Assurance Companies, largely for deposit with the Canadian Government, being held by such institutions to the amount of more than **One Million Dollars.**

A miniature specimen Debenture, with Interest Coupons attached, copy of Annual Report, and all particulars will be forwarded on application.
