

GOODS TRADE
FEELING IS FIRMER

There was a firmer feeling in the goods trade last week. An encouraging report in the retail goods merchants who were more optimistic than in a more optimistic stand receiving quite a number of the jobbing trade. Bleached more are being bought than in this stage of the jobbing

goods are being advanced in sheets, pillow tubings and are holding very steady, and been made which will take some large mills for two or three actually coming along very light, yet the printers are in the business done for fall

clock was clear they would the trade. Stock goods are being clean question of how new orders almost one. Sellings agents and trying to divert it to want to take until they have not get the regular goods. The largest houses have all its creating an impression that applied to certain gingham

tone in the demand for and later delivery. Some gray goods have been made. Weaves, and mills are adding jobs are selling their free, but in small lots. The most with made-up goods, showing more interest in fancy wash goods. The ac- be termed broad, the lead- they find it more reassuring. on duck are striving to get making some headway. The good and it is the strong ket. There has been more past week or two of fall sets, supplementing the or- year and in some instances initial business of some of the southern jobbers have late buying until recently, up odd lots of hanged cot- tentially in colored lines.

markets has been somewhat sets are stronger. The vol- very moderate. Hopes are silk business for export

the news of further war to the situation. The lead- fair business on the books are not so well provided agencies trade is fair but
